PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS CAUTION

BEFORE USING THIS PRODUCT, READ ALL PRECAUTIONS, DIRECTIONS FOR USE, CONDITIONS OF SALE AND LIMITATION OF WARRANTY AND LIABILITY

Causes moderate eye irritation. Harmful if swallowed, inhaled or absorbed through skin. Avoid contact with skin, eyes or clothing. Avoid breathing spray mist. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

Personal Protective Equipment (PPE): Applicators and other handlers must wear: Long sleeved shirt and long pants, shoes plus socks and chemical-resistant gloves.

First Aid: If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. **If on skin:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. **If swallowed:** Immediately call a poison control center or doctor. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person. **If inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice. **NOTE TO PHYSICIAN:** Contains petroleum distillate. Vomiting may cause aspiration pneumonia.

FOR A MEDICAL EMERGENCY INVOLVING THIS PRODUCT, CALL 1-866-944-8565.

ENVIRONMENTAL HAZARDS This product is toxic to fish. Do not apply directly to water. Do not contaminate water by the cleaning of equipment or disposal of washwaters. Do not apply in any manner not specified on this label.

GENERAL: APHOIL® is a highly refined, miscible oil adjuvant designed for use with certain potato insecticides and fungicides. **DO NOT use with tin or copper products.** Do not apply this product in such a manner as to directly or through drift expose workers or other persons. The degree of spray application drift hazards varies with type of pesticide, application conditions, and vegetation near the spray area. Drift minimization is the responsibility of the applicator. Always consult your local and state agricultural authorities for information regarding avoiding or minimizing spray drift. In addition, follow precautionary statements on accompanying pesticide label(s).

DIRECTIONS FOR USE: Use APHOIL at 2-4% v/v (2-4 gallons per 100 gallons of water).

To prepare agricultural sprays containing this product, follow pesticide label mixing instructions. Agitate **APHOIL** prior to adding to tank mixture. Add **APHOIL** to spray mixture last while maintaining agitation. Agitate mixture before and during each application. Do not apply with copper or tin based products. **AGITATE APHOIL PRIOR TO ADDING TO TANK MIXTURE.**

Note: Care should be exercised when applying to varieties not previously treated with spray mixtures containing **APHOIL**. Care is also advised when sprays are applied under very humid conditions or circumstances where sprays tend to be more active. For new uses, it is recommended that small test areas be treated before using in large-scale operations. Always check the compatibility of pesticide spray mixtures containing **APHOIL** in small containers before application. It is a violation of State Law to use this product in a manner inconsistent with its labeling. Do not enter area without protective clothing until product has dried.

STORAGE AND DISPOSAL

STORAGE: Store product in original container only. Keep container closed in storage. Do not allow water to be introduced. Do not contaminate water, food, or feed by storage or disposal. Do not store this product near heat or open flame. May be stored below 32°F.

CONTAINER DISPOSAL: Triple rinse (or equivalent) and add rinsate to spray application equipment. Empty packaging should be offered for recycling, or puncture and dispose of in a sanitary landfill, or incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

For help with any spill, leak, fire or exposure involving this material, call day or night CHEMTREC 1-800-424-9300.
