

AQUATE[®] MAX

SOIL SURFACTANT

CONTAINS NON-PLANT FOOD INGREDIENT

87.30%.....	ACTIVE INGREDIENT: Ethylene oxide-propylene oxide copolymer
12.70%.....	INERT INGREDIENTS: Water, Ethoxylated alcohols, Alkyl aryl sulfonate salts and Docusate sodium
100.00%.....	Total

Information regarding the contents and levels of metals in this product is available on the Internet at <https://www.aapfco.org/metals.html>

KEEP OUT OF REACH OF CHILDREN

WARNING

Causes serious eye irritation.

PRECAUTIONARY STATEMENTS

Avoid contact with eyes. Do not ingest. Avoid breathing mist or spray. Avoid contact with skin or clothing. Wear safety glasses. Wash hands and affected areas thoroughly after handling.

FIRST AID	
If in eyes:	<ul style="list-style-type: none"> •Rinse cautiously with water for several minutes. •Remove contact lenses if present and easy to do so. Continue rinsing. •If eye irritation persists: Get medical advice or attention.
If swallowed:	<ul style="list-style-type: none"> •Rinse mouth. •Get medical attention if symptoms occur.
If inhaled:	<ul style="list-style-type: none"> •Move to fresh air. •Call a physician if symptoms develop or persist.
If on skin:	<ul style="list-style-type: none"> •Wash off with soap and water. •Get medical attention if irritation develops and persists.
<p>Have the product container or label with you when calling a poison control center or doctor or going for treatment. GENERAL INFORMATION

AQUATE® MAX is a multi-functional soil surfactant. When AQUATE MAX is applied to the soil, improved water penetration results from a reduction in surface tension. AQUATE MAX also induces soil water retention in the plant root zone leading to reduced moisture stress in the commercial crop.

DIRECTIONS FOR USE

Always follow the AQUATE MAX label recommendations when using this product, unless directed otherwise by the label of a tank mix partner product. The general recommended use rate is 1-2 pints per acre. Soil type and environmental conditions may affect the application rate. (See also SOIL TYPE AND CONDITIONS.)

Application via injection systems: AQUATE MAX may be applied through irrigation at any time throughout the growing season, as warranted by environmental conditions. Inject 2 pints per acre during early growth stages. Apply 1 pint per acre through subsequent irrigation as needed.

Application via a ground sprayer: AQUATE MAX has been found to be safe when applied to a wide range of crops. Tank mixes with other crops inputs is allowed but should be overhead irrigated soon after application to ensure product performance and mitigate any risk of cosmetic crop response from the tank mix partners.

SOIL TYPE AND CONDITIONS

AQUATE MAX may be applied across a broad range of soil types. The combination of surfactants in AQUATE MAX helps water to penetrate heavy soils and allows water to be retained in coarse soils.

COMPATIBILITY AND MIXING

When mixing AQUATE MAX with plant nutrients or other products, perform a jar test to test compatibility. Agitation is recommended in fertigation tanks to ensure uniform mixing and injection of nutrients and AQUATE MAX.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal.

PRODUCT STORAGE: Store in original container only and keep tightly closed. Store in closed storage areas. Use caution when moving, opening, closing or pouring.

PRODUCT DISPOSAL: Dispose of contents in accordance with all government regulations. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of federal law. Wastes resulting from use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER HANDLING: Dispose of container in accordance with all government regulations. Triple rinse (or equivalent), then offer for recycling, if available, or reconditioning, if appropriate. Alternatively, puncture and dispose of the container in a sanitary landfill, or by other procedures approved by state and local authorities. Recycling cleaned containers is the best option of container disposal. ACRC (Agricultural Container Recycling Council) operates a national recycling program. To contact your state and local ACRC recycler, visit the ACRC web page at www.acrecycle.org.

Conditions of Sale and Limitation of Warranty and Liability:

NOTICE: Read the entire Directions for Use and Conditions of Sale and Limitation of Warranty and Liability before buying or using the product. If the terms are not acceptable, return the product at once, unopened, and the purchase price will be refunded.

ALL STATEMENTS MADE HEREIN ARE SUBJECT TO APPLICABLE LAW, AND TO THE EXTENT THERE IS ANY INCONSISTENCY OR CONTENTION, APPLICABLE LAW SHALL GOVERN.

The Directions for Use of the product must be followed carefully. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of many different factors including, without limitation, manner of use or application, weather, combination with other products, or crop conditions. All such risks shall be assumed by Buyer and User, and Buyer and User agree to hold Manufacturer and Seller harmless from any claims relating to such factors.

Seller warrants that this product conforms to the chemical description on the label. EXCEPT FOR THIS WARRANTY, THE PRODUCT IS FURNISHED "AS-IS", AND NEITHER SELLER NOR MANUFACTURER MAKES ANY OTHER WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THE SELECTION, PURCHASE OR USE OF THIS PRODUCT; SELLER AND MANUFACTURER SPECIFICALLY DISCLAIM ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE BEYOND WHAT IS STATED ON THE LABEL. Buyer and User accept all risks arising from any use of this product, including without limitation, uses contrary to label instructions, or under conditions not reasonably foreseeable to (or beyond the control of) Seller or Manufacturer.

Neither Manufacturer nor Seller shall be liable for any incidental, consequential or special damages resulting from the use or handling of this product. THE EXCLUSIVE REMEDY OF THE BUYER OR USER, AND THE EXCLUSIVE LIABILITY OF MANUFACTURER AND SELLER, FOR ANY AND ALL CLAIMS, LOSSES, INJURIES OR DAMAGES (INCLUDING CLAIMS BASED ON BREACH OF WARRANTY, CONTRACT, NEGLIGENCE, TORT, STRICT LIABILITY OR OTHERWISE) RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT SHALL BE THE RETURN OF THE PURCHASE PRICE OF THIS PRODUCT, OR, AT THE ELECTION OF MANUFACTURER OR SELLER, THE REPLACEMENT OF THE PRODUCT.

These Conditions of Sale and Limitation of Warranty and Liability shall be interpreted, unless otherwise required by the law of the state of purchase, in accordance with the laws of the State of California, excluding its conflicts of laws rules, and may not be amended by any oral or written agreement.
