GUARANTEED ANALYSIS

Total Nitrogen (N).....	6.00%
6.00% Ammoniacal Nitrogen	
Available Phosphate (P ₂ O ₅).....	20.00%
Soluble Potash (K ₂ O).....	5.00%
Boron (B).....	0.02%
Copper (Cu).....	0.05%
0.05% Chelated Copper (Cu)	
Iron (Fe).....	0.10%
0.10% Chelated Iron (Fe)	
Manganese (Mn).....	0.05%
0.05% Chelated Manganese (Mn)	
Molybdenum (Mo).....	0.0005%
Zinc (Zn).....	0.05%
0.05% Chelated Zinc (Zn)	

Derived from polyammonium phosphates, ammonium carboxylates, potassium phosphates, phosphoric acid, copper EDTA, manganese EDTA, zinc EDTA, iron HEDTA, sodium octaborate and sodium molybdate.

The chelating agent is EDTA (ethylenediaminetetraacetic acid) and HEDTA (hydroxyethylenediaminetetraacetic acid).

Contains 3.38 lbs. of plant nutrients per gallon. Contains Protected Technology

KEEP OUT OF REACH OF CHILDREN

CAUTION

Contains **Boron** and **Molybdenum**. Crops sensitive to **Boron** and/or **Molybdenum** may be injured. Plants containing excess amounts of **Molybdenum** are toxic to grazing ruminant animals.

See Inside Panel for Additional Precautionary Statements.

SN 0305/1205

WEIGHT PER GALLON: 10.8 lbs (4.9 kg)

PRECAUTIONARY STATEMENTS

CAUTION

BEFORE USING THIS PRODUCT, READ ALL PRECAUTIONS, DIRECTIONS FOR USE, CONDITIONS OF SALE-LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES.

May be harmful if swallowed, inhaled, or absorbed through skin. May cause eye irritation. Avoid breathing dust or spray mist. Avoid contact with skin, eyes, and clothing. Do not apply this product in such a manner as to directly expose workers or other persons. In addition, follow precautionary statements on accompanying pesticide label(s).

WHAT TO DO IN CASE OF CONTACT:

IF INHALED: Move victim to fresh air. Give artificial respiration if needed. See a physician.

IF SWALLOWED: Give a large amount of water to drink, make person vomit and immediately call a physician. Do not induce vomiting or give anything by mouth to an unconscious person.

IF IN EYES: Immediately flush eyes with clean water for at least 15 minutes. Call a physician if irritation persists.

Disclaimer: Always refer to the label on the product before using Helena or any other product.

IF ON SKIN: Remove contaminated clothing and wash skin with soap and water. Call a physician if irritation persists.

If contact is made with a spray solution containing pesticides, follow the "Statement of Practical Treatment/First Aid" on the pesticide label(s).

STORAGE AND DISPOSAL

Store in original container only. Keep packages tightly closed and do not allow water to be introduced to container contents. Do not store this product near heat or open flame. This product will freeze at temperatures less than 30°F. Thawing occurs readily at temperatures greater than 32°F.

Container Disposal: Empty packaging should be offered for recycling or disposal in accordance with Federal, State and Local authorities. If packaging is burned, stay out of smoke.

For help in chemical emergencies involving spill, leak, fire or exposure, call toll free 1-800-424-9300.

GENERAL INFORMATION

Asset® RTU is a plant nutrient solution that contains a proprietary fertilizer additive. When used in conjunction with sound fertility practices, **Asset® RTU** improves quality and production for a wide range of agricultural, ornamental, and turf practices.

SPRAY MIX COMPATIBILITY

Applications of **Asset® RTU** with pesticides are possible provided that good agitation of the spray mix is maintained. Always check compatibility prior to mixing and apply the spray mix as soon as possible. Follow the mixing sequence below:

1. Water
2. **Asset® RTU**
3. Pesticides

Asset® RTU is compatible with most liquid fertilizer/pesticide spray mixes at manufacturers specified label rates. However, it is recommended that a "jar test" be performed prior to actual application. In the event of fertilizer/pesticide compatibility problems, the addition of a stabilizing/compatibility agent is recommended.

1. Water
2. Fertilizer
3. **Asset® RTU**
4. Approved compatibility agent (if needed according to jar test)
5. Pesticides

SOIL APPLICATIONS

For in-furrow, banded, side dressed and broadcast applications through conventional equipment, use **Asset® RTU** at the rate of 16 - 96 oz. (1-6 pints) per acre. Best results are obtained when **Asset® RTU** is incorporated, injected, or applied alone in a zone or band in the soil or with fertilizer at a minimum depth of two (2) to four (4) inches. The recommendations for use of this product are based upon the best current information available.

TRANSPLANT SOLUTIONS

Asset® RTU can be used in transplant solutions. Contact your Helena Dealer for additional information.

ORNAMENTAL USES

Use 1 qt./100 gallons of water as a drench solution for soil or apply 2 qts./100 gallons of water as a directed spray. The applied spray solutions should be incorporated into the root zone by irrigation.

TURF APPLICATIONS

Apply 2 qts./acre and incorporate into the root zone by means of irrigation.

USE WITH DRY GRANULAR FERTILIZER

Asset® RTU may be impregnated on most dry nitrogen fertilizers and/or blends that are composed of at least 50% of a combination of urea, nitrate, or ammonium phosphate. Uniform application of the material is necessary to ensure optimum results.

CONDITIONS OF SALE - LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES

Read the Conditions of Sale - Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded.

This label is believed to be reliable and should be followed carefully. Injury to the crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of Helena Chemical Company (the "Company") or seller. In addition, failure to follow label directions may cause injury to crops, animals, man or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind, express or implied, concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law.

SPECIMEN LABEL

The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at Helena Chemical Company's election, one of the following:

1. Refund of the purchase price paid by buyer or user for product bought, or
2. Replacement of the product used

To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company and the seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
