

Drift Reduction Technology

STORAGE & DISPOSAL

Store product in original container. Store in a cool, dry and well-ventilated place. Do not contaminate water, food or feed by storage or disposal. Keep packaging closed, securely fastened and upright. Store product above 32°F.

Triple rinse (or equivalent) prior to disposal. Add rinsate to spray tank. Offer container for recycling or dispose of properly according to all applicable regulations. If burned, stay out of smoke.

FIRST AID

IF SWALLOWED:

- Call a doctor or poison control center if feeling unwell. Rinse mouth.
- Have person drink one to two glasses of water if able to swallow.
- Do not induce vomiting unless told to by a poison control center or doctor.
- Do not give anything by mouth to an unconscious person.

IF IN EYES:

- Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.
- If irritation persists, call a poison control center or doctor for treatment advice.

IF ON SKIN:

- Wash skin immediately with plenty of water.
- If irritation occurs, call a poison control center or doctor for treatment advice.
- Take off contaminated clothing and wash it before reuse.

IF INHALED:

- Move person to fresh air. Get medical attention if feeling unwell.
- If person is not breathing call 911, then give artificial resuscitation.
- Call a poison control center or doctor for further treatment advice.

CONDITIONS OF SALE AND LIMITATIONS OF WARRANTY AND LIABILITY

Acceptance of Terms – By purchase or use of this product, buyer and user accept these conditions of sale and limitations of warranty and liability. If these terms are unacceptable, return the product unopened for a refund.

Warranty Disclaimers – Rosen's Inc. and seller (collectively "Vendors") warrant that this product conforms to the chemical description on the label. THIS PRODUCT IS SOLD "AS IS" AND VENDORS MAKE NO OTHER WARRANTY, EXPRESS OR IMPLIED, AND SPECIFICALLY DISCLAIM THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT.

Inherent Risks – The directions for use must be followed carefully. It is impossible to eliminate all risks associated with this product. Crop injury, ineffectiveness, or other unintended consequences may result due to factors beyond the control of Vendors. Buyer and user assume all risks associated with the use or handling of this product.

Limitations of Liability – To the extent consistent with applicable law, buyer or user's exclusive remedy for any and all claims, losses, injuries, or damages resulting from the use or handling of this product shall be limited to the purchase price paid, or at the election of Vendors, the replacement of this product. Vendors are not liable for any consequential, incidental, or special damages, including lost profits.

Manufactured for:

Rosen's Inc., 700 SW 291 Hwy, Ste. 204, Liberty, MO 64068
1-877-781-9191

Astonish™ is a Trademark of Midtech, R&D, Inc.

Patent Pending

For Chemical Emergency:
Call CHEMTREC day or night.
1-800-424-9300

Principal Functioning Agents:

Proprietary blend of water conditioners, drift reducing polymers, surfactants and humectants 100%
Components exempt from the requirement of a tolerance in 40 CFR 180

WARNING!

HARMFUL IF SWALLOWED. CAUSES SKIN IRRITATION AND SERIOUS EYE IRRITATION. MAY CAUSE DAMAGE TO KIDNEYS THROUGH PROLONGED OR REPEATED EXPOSURE. KEEP OUT OF REACH OF CHILDREN.

PRECAUTIONARY STATEMENTS

Read label before use. **Wear protective face and eyewear, clothing and gloves.** If medical advice is needed, have product container or label at hand. Avoid contact with eyes, on skin or clothing. Do not breathe dust, fumes, gases, mist, vapors or spray. Remove and wash contaminated clothing before reuse. Wash skin thoroughly with soap and water after handling and before eating, chewing gum, using tobacco or using the toilet. Do not eat, drink or smoke when using this product. Do not handle until all safety precautions have been read and understood. See Safety Data Sheet for further details regarding safe use of this product.

GENERAL INFORMATION

ASTONISH is a spray adjuvant that conditions water to minimize spray tank antagonism and maximizes spray deposition.

ASTONISH reduces fines, improves canopy penetration and spray droplet retention.

ASTONISH is formulated for use with dicamba-based herbicides and does not contain ammonium-based water conditioners.

ASTONISH may also be used with other pesticides as a drift reduction technology.

Users should always check for tank mix compatibility with specific pesticides.

DIRECTIONS FOR USE

ASTONISH may be used with registered products in the following applications: Agriculture, Forestry, Horticulture, Industrial, Non-Cropland, Ornamental, Right-of-Way and Turf.

USE RATE

For Ground and Aerial Applications, the Use Rate is 54 ounces/100 gallons of water for nozzles generating XC and UC droplets.

Nozzle Size Category	ASTONISH Use Rate/100 gallons
XC, UC	54 ounces

XC = Extremely Coarse, UC = Ultra Coarse

Always read and follow the specific pesticide label directions, adjuvant suggestions, rates and mixing instructions.

MIXING INSTRUCTIONS

IMPORTANT - Add **ASTONISH** to the spray tank first before adding any other tank mix product, unless the tank mix pesticide(s) or additives direct otherwise.

Mixing Order:

1. Fill tank 1/2 full of water and begin agitation.
2. Add the required amount of **ASTONISH** while agitating.
3. Continue filling spray tank with water and add the tank mix components as directed on the pesticide label(s).
