NOTICE TO USER:

This control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.

DIRECTIONS FOR USE:

To be used only for the manufacture of herbicides which are registered under the *Pest Control Products Act*.

PRECAUTIONS:

- **PREVENT ACCESS BY UNAUTHORIZED PERSONNEL**
- Causes skin and eye irritation
- Avoid contact with skin, eyes or clothing.
- Wash skin thoroughly with soap and water after handling. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.
- Do not take internally.
- Wear chemical-resistant coveralls over long-sleeved shirt and long pants, chemical-resistant gloves, socks, and chemical-resistant footwear during mixing, loading, clean-up and repair. In addition, during mixing, loading, clean-up and repair, wear either a respirator with a NIOSH/MSHA/BHSE-approved organic-vapour-removing cartridge with a prefilter approved for pesticides OR a NIOSH/MSHA/BHSE-approved canister approved for pesticides.

ENVIRONMENTAL HAZARDS:

Do not apply directly to water, to areas where surface water is present, or to intertidal areas below the mean high water mark. Do not contaminate water when cleaning equipment or disposing of equipment washwaters or rinsate.

FIRST AID:

FIRST AID Herbicide	
If swallowed	Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.
If on skin or clothing	Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.
If in eyes	Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice.
Take container, label or product name and the Pest Control Product Registration Number with you when seeking medical attention.	

TOXICOLOGICAL INFORMATION:

Treat symptomatically.

STORAGE:

Store in a cool, dry and well-ventilated place. Store product in original container only, away from other pesticides, fertilizer, food, seed or feed. Do not contaminate water, food or feed by storage. Keep container closed to prevent spills and contamination.

DISPOSAL AND DECONTAMINATION:

Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal or provincial regulations. For additional details and clean up of spills, contact the manufacturer or the provincial regulatory agency.
