

# Bean Chaser® 10-0-0

### GUARANTEED ANALYSIS

Total Nitrogen (N) .....	10.00%
0.55% Ammoniacal Nitrogen	
9.05% Nitrate Nitrogen	
0.40% Urea Nitrogen	
Calcium (Ca).....	10.60%
Magnesium (Mg).....	1.20%
Boron (B).....	0.05%
Copper (Cu).....	0.05%
0.05% Chelated Copper	
Iron (Fe).....	0.10%
0.10% Chelated Iron	
Manganese (Mn).....	0.10%
0.10% Chelated Manganese	
Zinc (Zn).....	0.05%
0.05% Chelated Zinc	

**Derived From:** Calcium Nitrate, Calcium Ammonium Nitrate, Urea, Magnesium Nitrate, Boric Acid, Copper EDTA, Iron EDTA, Manganese EDTA and Zinc EDTA.

**WARNING:** This product contains boron (B) and may be harmful to certain crops. Use only according to manufacturer's directions.

**KEEP OUT OF REACH OF CHILDREN**

## WARNING

Harmful if swallowed. Avoid contact with skin, eyes or clothing. Avoid breathing spray mist.

**F1548**

**FOR AGRICULTURAL OR COMMERCIAL USE ONLY**

### GENERAL INFORMATION

BEAN CHASER® is a water-soluble foliar nutritional fertilizer of macro and micro nutrients. It is designed for foliar application and may be applied alone or in tank mixes containing pesticides. However, when use of an unfamiliar mix is made, a compatibility test is always recommended. Foliar fertilization is a supplement to a regular fertilizer program and will not supply the total nutrients required by a crop. BEAN CHASER is recommended as a foliar nutrition to be applied to crops where disorders due to insufficient calcium are anticipated.

### DIRECTIONS FOR USE

Dissolve the desired amount of BEAN CHASER in water before adding to the spray tank. With proper agitation, Boron/Zinc Premium can be added into the spray tank with agitation running. Do not store solution mixed with pesticide! Spray immediately after mixing. Add Boron/ Zinc Premium to the spray tank before adding pesticides.

### GENERAL APPLICATION RATES

**CROP: Beans:** 2.0 pints per acre – first application.

**Timing:** 1st application between 2nd and 3rd trifoliolate leaf stage

2.0 pints per acre – second application. 2nd application at 1st bloom stage (less than 10% bloom) Rates suggested are for standard spray volumes of 40.0 to 150 gallons per acre. For higher volume sprays, rate should be adjusted. Caution: Store BEAN CHASER at temperatures between 41° F to 104° F and avoid extreme variations in temperature. A reversible separation of ingredients may occur after long storage, this however does not affect quality or effectiveness of the product. When applying to beans, use a high analysis organo silicone or a high analysis non-ionic surfactant during the recommended timings listed above. Avoid applications with the organo silicone when temperatures are elevated >90° F or irrigations are to be applied within 4 hours of application. Maximum effectiveness will be obtained when applied early in the morning or after dusk.

### FIRST AID

**If in eyes:** Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. **If swallowed:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

**If on skin or clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 to 20 minutes. Call a poison control center or doctor for treatment advice. **If inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

**FOR A MEDICAL EMERGENCY INVOLVING THIS PRODUCT, CALL 1-866-944-8565.**

### STORAGE AND DISPOSAL

**STORAGE:** Store in original containers only. Keep containers tightly closed when not in use. Store in a cool, dry well-ventilated area, preferably in a locked storage area away from children, feed and food products, and seed. Store at ambient temperatures. Do not contaminate water, food, or feed by storage or disposal. **DISPOSAL:** Do not reuse container. Plastic: Triple rinse (or equivalent), adding rinse water to spray tank, then offer for recycling at an ACRC site (go to <http://www.acrcycle.org/> for locations) or by reconditioning, or puncture and dispose of in a sanitary landfill or by other procedures approved by state and local authorities. Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. Do not contaminate water, food, or feed by storage or disposal.

**HANDLING:** Avoid breathing fertilizer mists. Avoid prolonged or repeated skin contact. Avoid eye contact. Wash hands thoroughly after handling this product.

**For help with any spill, leak, fire or exposure involving this material, call day or night CHEMTREC 1-800-424-9300.**
