Derived from Copper MEA, Magnesium MEA, Manganese MEA, and Zinc MEA chelated with Ethanol, 2-amino-hydroxy-1,2,3-propanetricarboxylate. MAXIMUM Chloride (Cl) content is less than 0.1%

General Information

BIO POWER is intended as a supplement to a regular fertilization program and will not, by itself, provide all the nutrients normally required by agricultural crops.

BIO POWER can be used with a starter fertilizer, in-furrow, transplant water, drip or overhead irrigation/soil drench or foliar treatment for any crop.

BIO POWER is water-soluble and will be taken up by plant roots, seed and foliage without phytotoxicity when used as directed.

BIO POWER is particularly effective as a fertilizer supplement for stressed crops.

CAUTION:

**Keep Out Of Reach Of Children
May Cause Eye Irritation**

Statement of Practical Treatment

If on skin: Wash with plenty of soap and water. Call a physician if irritation persists. **If in Eyes:** Flush eyes with plenty of clean water. Call a physician if irritation persists.

Storage And Disposal

Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited. Do not reuse empty container. Store in a cool place and out of direct sunlight. Dispose of empty container in a sanitary landfill or by incineration, or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.

GENERAL USE DIRECTIONS

STARTER FERTILIZER: Apply 3 to 6 pints of BIO POWER per acre mixed in with the starter fertilizer solution

IN-FURROW: Apply 3 to 4 pints of BIO POWER in 5 gallons of solution per acre and apply in seed furrow at planting.

FOLIAR: Apply 1 to 3 pints per acre in sufficient spray solution to ensure thorough coverage of foliage.

DIP SOLUTION: Mix 8 to 10 fl. oz. in 10 gallons of water. Dip the roots in the solution before planting.

TRANSPLANT SOLUTION: mix 3 to 4 pints/acre in sufficient transplant water to transplant one acre of crop.

IRRIGATION/SOIL DRENCH: Prepare a tank mix solution to inject 48 to 64 fl. oz. per acre into the irrigation system. Apply BIO POWER near the end of the watering cycle .

CROPS (but not limited to) : Beans, Berries, Cereals/Small Grains, Citrus, Corn, Cotton, Cucurbits, Forage Crops, Nursery Crops, Nut Crops, Ornamentals, Peanuts, Potatoes, Pulse Crops, Rice/Sod/Turf, Soybeans, Sugarbeets, Tree Fruit, Vegetable Crops, Vine Crops

Mixing Instructions

Many pesticides may be mixed and applied with BIO POWER.

Mixing sequence: 1. Water, 2. BIO POWER, 3. Pesticide

Always conduct a "jar test" utilizing all products to be mixed in proper proportion in order to establish compatibility.

Precautionary Statement

May be harmful if absorbed through skin. May cause eye irritation. Avoid contact with skin, eyes or clothing. **Personal Protective Equipment:**

Applicators and other handlers must wear long-sleeved shirt and long pants, waterproof gloves and shoes plus socks. Follow manufacturer instructions for cleaning and maintaining PPE. If no such instructions for washables, use detergent and hot water. Keep and wash PPE separately from other laundry.

User Safety Recommendations: Users should wash hands before eating, drinking, chewing gum, using tobacco or using the toilet. Remove clothing immediately if it gets inside. Then wash thoroughly and put on clean clothing.

Environmental Hazards: Do not apply directly to water, to areas where surface water is present, or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment wash water. Information regarding the contents and levels of metals in this product is available on the internet at: <http://www.aapfco.org/metals.htm>.

Conditions Of Sale: 1. Seller warrants this product consists of the ingredients specified and is reasonably fit for the purpose stated on this label when used in accordance with directions under normal conditions of use. No one other than an officer of Seller is authorized to make any warranty, guarantee or direction concerning this product. 2. Because the time, place, rate of application and other conditions of use are beyond Seller's control, Seller's liability from handling, storage and use of this product is limited to replacement of product or refund of purchase price.
