

## DEPOSITION AID

For use with most water-based crop and noncrop pesticide spray solutions. One gallon of CLASP® treats up to 200 gallons of spray solution.

### PRINCIPAL FUNCTIONING AGENTS:

Polyvinyl Polymer .....	01.00%
CONSTITUENTS INEFFECTIVE AS SPRAY ADJUVANTS .....	99.00%
TOTAL .....	100.00%

CLASP®, when used as directed and in accordance with sound agricultural practices, is in compliance with Federal Food and Drug Administration Regulations governing the cropland use of adjuvants and is exempt from the requirement of tolerance under Title 40, Code of Federal Regulations, 180.

### KEEP OUT OF REACH OF CHILDREN

## WARNING

May be harmful if swallowed  
 May be harmful in contact with skin  
 Causes eye irritation  
 Causes mild skin irritation  
 May be harmful if inhaled

WA Reg. No. 5905-13002

### PRECAUTIONARY STATEMENTS

#### HAZARDS TO HUMANS AND DOMESTIC ANIMALS

## WARNING

BEFORE USING THIS PRODUCT, READ ALL PRECAUTIONS, DIRECTIONS FOR USE, CONDITIONS OF SALE—LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES.

May be harmful if swallowed. May be harmful in contact with skin. Causes eye irritation. Causes mild skin irritation. May be harmful if inhaled. Keep product locked up and out of the reach of children. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or smoking tobacco. Remove and wash contaminated clothing before reuse. Do not take internally. Avoid contact with or inhalation of spray application mist if present. Do not apply this product in such a manner as to directly expose workers or other persons. If product is being mixed with pesticides and/or spray adjuvants, follow all precautionary statements on the accompanying product(s) labeling. Not for human or animal consumption.

**Personal Protective Equipment (PPE):** Wear chemical-resistant gloves, long-sleeved shirt and long pants, and shoes plus socks.

### FIRST AID

IF SWALLOWED:	<ul style="list-style-type: none"> <li>Call a poison center or doctor if you feel unwell. Rinse mouth.</li> </ul>
IF IN EYES:	<ul style="list-style-type: none"> <li>Rinse cautiously with water for several minutes.</li> <li>Remove contact lenses, if present and easy to do. Continue rinsing.</li> <li>Immediately call a poison center/doctor.</li> </ul>
IF ON SKIN:	<ul style="list-style-type: none"> <li>Remove contaminated clothing and wash skin with soap and water.</li> <li>If skin irritation occurs, get medical advice/attention.</li> </ul>

CLASP® IS AN EFFECTIVE, EASY-TO-USE DEPOSITION AID FOR INCREASING DEPOSITION AND CANOPY PENETRATION IN SPRAYING OPERATIONS.

**Disclaimer:** Always refer to the label on the product before using Helena or any other product.

CLASP® deposition aid is compatible with most water soluble, emulsifiable, and wettable powder pesticides, desiccants and cotton defoliant when applied by aerial or ground application equipment.

### DIRECTIONS FOR USE

#### SHAKE WELL BEFORE USE!

Not for aquatic use.

Step 1: Select correct CLASP® dosage from chart below.

Step 2: Shake CLASP® before using. For optimum results, add wettable powder pesticides before CLASP®. Add liquid pesticides after CLASP®. When using liquid micronutrients, jar tests for compatibility and order of addition are strongly recommended. Wetter-spreaders may be added before or after CLASP®.

CLASP® should be added to the agitating tank mix. For tanks with weak agitation, add CLASP® during the tank filling operation.

Step 3: Continue to agitate the mix tank before use.

### DOSAGE CHART

GROUND APPLICATIONS		CLASP® Dosage
Air Blast Sprayers		1 to 3 qts. per 100 gals. spray solution
Controlled Droplet Applicators		1 pt to 2 qts. per 100 gals. spray solution
Spray Pressure	Nozzle Type	CLASP® Dosage
Up to 30 PSI	Flat Fan, Flood Jet	1 to 3 qts. per 100 gals. spray solution
	Off Center	2 to 6 qts. per 100 gals. spray solution
30 to 50 PSI	Flat Fan, Flood Jet	1-½ to 4 qts. per 100 gals. spray solution
	Off Center	3 to 8 qts. per 100 gals. spray solution
	Hollow cone or raindrop	1 to 3 qts. per 100 gals. spray solution
	Spray guns	1 to 8 qts. per 100 gals. spray solution
AERIAL APPLICATIONS		
Spray Pressure	Nozzle Orientation	CLASP® Dosage
Up to 45 PSI	Straight Back	2 to 6 qts. per 100 gals. spray solution
Up to 45 PSI	45° angle in back position	3 to 8 qts. per 100 gals. spray solution

### USE PRECAUTIONS

Sound application technology must be followed when spraying pesticides. CLASP® can improve deposition of pesticides in the target swath and can retard, but not totally eliminate drift.

### AFTER USE

Spray equipment should be rinsed. Follow all clean-up precautions on label of pesticide used. Follow all recommended governmental procedures for disposal of pesticide spray solutions.

### STORAGE AND DISPOSAL

Store in original container only. Keep container tightly closed, do not allow water to be introduced into the contents of this container. Do not contaminate water sources by runoff from cleaning of equipment, disposal of equipment washwaters or spray waste. Do not store near heat or open flame.

### CONTAINER DISPOSAL:

#### NON-REFILLABLE CONTAINER DISPOSAL:

Do not reuse empty container. Triple rinse (or equivalent) during mixing and loading and add rinsate to spray tank. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your State and local ACRC recycler, visit the ACRC web page at [www.acrecycle.org](http://www.acrecycle.org). Decontaminated containers may also be disposed of in a sanitary landfill. For help in chemical emergencies involving spill, leak, fire or exposure, call toll free 1-800-424-9300.

#### REFILLABLE CONTAINER:

Refill this container with adjuvants only. Do not reuse this container for any other purpose. Cleaning the container before final disposal is the responsibility of the person disposing of the container. Cleaning before refilling is the responsibility of the refiller. To clean the container before final disposal, empty the remaining contents from the container into application equipment or mix tank. Fill the container about 10 percent full with water. Agitate vigorously or recirculate water with the pump for 2 minutes. Pour or pump rinsate into application equipment or rinsate collection system. Repeat this rinsing procedure two more times. If the container is not being refilled, return the container to the point of purchase.

### CONDITIONS OF SALE—LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES

Read the Conditions of Sale—Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded.

The directions on this label are believed to be reliable and must be followed carefully. Insufficient control of pests and/or injury to the crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are

beyond the control of Helena Chemical Company (the "Company") or seller. In addition, failure to follow label directions may cause injury to crops, animals, man or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to in the directions for use subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind, express or implied, concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law.

The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at Helena Chemical Company's election, one of the following:

1. Refund of the purchase price paid by buyer or user for product bought, or
2. Replacement of the product used

To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company and the seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
