GENERAL INFORMATION

Cornbelt® Methylated Soy-Stik® is a blend of methylated soybean oil and surfactant emulsifier specifically designed for use with postemergence herbicides. Cornbelt® Methylated Soy-Stik® should be used when a methylated crop oil is specifically required (ie. Pursuit®) in place of traditional non-ionic surfactants and paraffin crop oils.

Cornbelt® Methylated Soy-Stik® increases herbicidal action through increased absorption. Cornbelt® Methylated Soy-Stik® improves the performance consistency of herbicides over a wide range of environmental conditions. Cornbelt® Methylated Soy-Stik® includes a defoamer to help minimize the formation of foam when mixing. The premium quality of Cornbelt® Methylated Soy-Stik® provides more rapid surface wetting and greater penetration of the leaf cuticle along with improved handling.

DIRECTIONS FOR USE

Always follow herbicide manufacturer's recommendations for application rates and tank filling/mixing instructions. Unless otherwise specified, use Cornbelt® Methylated Soy-Stik® at the following rates:

NORMAL CONDITIONS: 1.5 pts./acre

EXTREME CONDITIONS: 2.0 pts./acre

(Extreme weed pressure or plants are stressed at time of treatment.)

PRECAUTIONARY STATEMENTS

In case of contact with eyes, flush with water for at least 15 minutes. If irritation persists, contact physician. In case of skin contact, wash affected areas with water. Remove contaminated clothing and launder before reuse.

STORAGE AND DISPOSAL

Dispose of contents/container in accordance with local/national/international regulations.

In the event of a major spill, fire or other emergency, call CHEMTREC at (800) 424-9300.

Store in a well-ventilated place in original unopened container. Keep cool and store above 40 degrees F.

CONDITIONS OF SALE AND WARRANTY

The directions for use of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or use of the product in a manner inconsistent with its labeling, all of which are beyond the control of Van Diest Supply Company or the Seller. All such risks shall be assumed by the Buyer.

Van Diest Supply Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the Directions for Use, subject to the inherent risks referred to above. VAN DIEST SUPPLY COMPANY MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF FITNESS OR MERCHANTABILITY OR ANY OTHER EXPRESS OR IMPLIED WARRANTY. IN NO CASE SHALL VAN DIEST SUPPLY COMPANY OR THE SELLER BE LIABLE FOR CONSEQUENTIAL, SPECIAL OR INDIRECT DAMAGES RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT. Van Diest Supply Company and the seller offer this product, and the Buyer and the User accept it, subject to the foregoing Conditions of Sale and Warranty, which may be varied only by agreement in writing signed by a duly authorized representative of Van Diest Supply Company.

Pursuit® is a Registered Trademark of BASF Corp.

Cornbelt®, Cornbelt® Logo and Soy-Stik® are Registered Trademarks of Van Diest Supply Company.
