## *Diamond R Fertilizer Co., Inc.*

Ft. Pierce, Florida

### Specimen Label

**Important:** Read and Follow Label Directions Prior to Using any Agricultural Chemical

ACTIVE INGREDIENTS	
Petroleum oil	83%
Surfactant blend of Polyol Fatty Acid Ester	17 %

Weight 7.33 lbs. per gallon

**AGRI-OIL** is multicomponent oil surfactant system designed to maximize the performance of herbicides in postemergence applications.

ALL INGREDIENTS ARE EXEMPT FROM THE REQUIREMENTS OF A TOLERANCE AS SPECIFIED IN CFR 40, 180.1001 (C)

### **CAUTION: KEEP OUT OF REACH OF CHILDREN**

Avoid contact with skin. Avoid breathing spray mist. Avoid contact with eyes. In case of contact, flush eyes with water for at least 15 minutes and get medical attention.

Keep container closed in storage - DO NOT allow contamination with water.

Read all directions

READ ALL DIRECTIONS AND WARRANTY OF SALE. The directions on this label are based on field experience and should be followed for most effective and safest use.

**AGRI-OIL** increases the activity of herbicides. Care should be exercised when applying it with herbicides to new varieties under extreme weather conditions. Weather conditions such as high temperatures and humidity also tend to increase herbicides activity; therefore, the use of test areas is recommended if these conditions prevail.

### **CAUTION**

### **KEEP OUT OF REACH OF CHILDREN**

### **NOTICE TO USERS:**

Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, express or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use.

**COMPATIBILITY AND GENERAL RECOMMENDATIONS FOR USE :**

**Agri-oil** is compatible with most herbicides currently registered for use in Florida.

Herbicides: Use 2 to 8 pints **Agri-Oil** per acre in combination with the recommended herbicide.

**PREPARATION OF SPRAY MATERIAL:**

1. Fill spray tank one-half full of water, and begin mechanical or hydraulic agitation.
2. Add the recommended amount of herbicide and then the remaining volume of water. Mix the contents thoroughly.
3. Add the recommended amount of **Agri-oil**, and continue agitation until a uniform mixture is obtained.
4. Container disposal: Triple rinse (or equivalent), then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or if allowed by State and local authorities by burning. If burned, stay out of smoke.

**STORAGE AND DISPOSAL PROHIBITIONS:** Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited.

**STORAGE:** Store in a cool, dry locked area out of reach of children. Keep oil container tightly closed in storage to prevent entry of water.

**PESTICIDE DISPOSAL:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

**CONTAINER DISPOSAL :** Do not reuse empty container.

**Metal:** Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by the state and local authorities.

**Plastic:** Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

**NOTE :** Maintain constant agitation and pressure (20-40 PSI)of the spray mixture to ensure uniform application.

**IMPORTANT - READ AND FOLLOW LABEL DIRECTIONS PRIOR TO USING ANY AGRICULTURAL CHEMICAL.**
