EVERLAST is a concentrated marking foam designed for use with conventional agricultural foam generators.

EVERLAST provides high expansion foam that has superior heat and wind resistance.

EVERLAST produces dense foam of superior longevity under all weather conditions.

Do not mix EVERLAST with other foam markers. To insure the highest quality foam, flush and clean the foam generating equipment before use and at regular intervals thereafter.

GENERAL USE DIRECTIONS

EVERLAST is formulated to produce high quality foam in all water hardness and weather conditions. Environmental conditions and water quality differences may require adjusting the mixing rate. Use the chart below to determine the best use rate of EVERLAST.
