

# WATER CONDITIONER

## Water Conditioning/Wetting Agent Combination Adjuvant

---

### PRINCIPAL FUNCTIONING AGENTS:

Ammonium sulfate, surfactants, humectants, hydrotropes and other ingredients.....	100%
TOTAL .....	100%

NOTE: 2 1/2 gallons contains the equivalent of 2 quarts of nonionic surfactant.  
All ingredients are exempt from tolerance under 40 CFR 180.

KEEP OUT OF REACH OF CHILDREN

**CAUTION**

CAUSES TEMPORARY EYE IRRITATION. INHALATION OR  
INGESTION MAY CAUSE MUCOUS MEMBRANE IRRITATION.

# WATER CONDITIONER

## DIRECTIONS FOR USE

Use Water Conditioner at a rate of 2.5 to 5 gallons per 100 gallons (2.5 to 5%) of tank mix. Add according to the directions on the pesticide label. If no directions are provided, add when directed to add the ammonium sulfate.

The use rates described above meet the surfactant and AMS requirements of such products as glyphosate and other similar products. These rates will deliver 8.5 to 17 pounds of AMS and 0.5% to 1.0% of wetting agent per 100 gallons of spray solution. Do not mix this product with concentrated oil or lecithin based adjuvant products before adding to the tank mix. Add these two kinds of products separately to the tank.

## STORAGE, HANDLING AND DISPOSAL

Store in a cool, dry place away from fire, flame or other sources of ignition.

Handle using the PPE indicated in the precautionary statements.

Dispose of material by triple-rinsing container and dumping rinsate into mix tank. Dispose of rinsed container by either recycling or according to all local, state and federal regulations and laws.

## GENERAL INFORMATION

This product contains a combination of ammonium sulfate and an electrolyte-stable surfactant system in a convenient liquid form. The low foaming system at the recommended use rates delivers the AMS and surfactant required by glyphosate, glufosinate and many other pest control products. By reducing hard water interactions, increasing uptake and spreading, all at the same time, this product significantly increases the performance of most pest control agents.

## FIRST AID

Call a poison control center or doctor immediately for treatment advice. Have the product container with you when calling a poison control center or doctor, or going for treatment.

**If Swallowed:** Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

**If on Skin or Clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

**If Inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth to mouth if possible.

**If in Eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses if present, after the first 5 minutes, then continue rinsing eye.

Conditions of Sale and Warranty Limitation: The Directions for Use of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or use of the product in a manner inconsistent with its labeling, all of which are beyond the control of Farmers Value, or the seller. All such risks shall be assumed by the buyer. Farmers Value warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the Directions for Use, subject to the inherent risks referred to above. Farmers Value makes no other express or implied warranty of fitness or merchantability or any other express or implied warranty. In no case shall Farmers Value or the seller be liable for consequential, special or indirect damages resulting from the use or handling of this product.

Farmers Value and the seller offer this product, and the Buyer and the User accept it, subject to the foregoing Conditions of Sale and Warranty, which may be varied only by agreement in writing signed by a duly authorized representative of Farmers Value.
