

## SPECIMEN LABEL

### ATTENTION:

This specimen label is provided for general information only.

*This product may not yet be available or approved for sale or use in your area. It is your responsibility to follow all Federal, state and local laws and regulations regarding the use of this product. Before using this product, be sure the intended use is approved in your area. FBN Inputs, LLC does not guarantee the completeness or accuracy of this specimen label. The information found in this label may differ from the information found on the product label. You must read and follow the label found on the product.*

## Methylated Seed Oil Adjuvant Blend

### PRINCIPAL FUNCTIONING AGENTS

Methylated soybean oil and other oils and emulsifiers.....100.0%  
Total: .....100.0%

Note: Ingredients exempt from tolerance under CFR 40 180

State Registration pending, where applicable

### KEEP OUT OF REACH OF CHILDREN

### WARNING

Hazard Statement: Harmful if inhaled. Causes eye and mild skin irritation. May be harmful if swallowed or in contact with skin.

#### Precautionary Statements:

Wash thoroughly after handling. Avoid breathing mist or spray. Use only outdoors or in a well ventilated area. Do not eat, drink or smoke when using this product. Wear protective gloves.

#### FIRST AID

If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do.

Continue rinsing.

If on skin: Take off immediately all contaminated clothing. Rinse skin with water or shower. Wash contaminated clothing before reuse.

If inhaled: Remove person to fresh air and keep comfortable for breathing. Immediately call a Poison Center or doctor for advice.

## **SPECIMEN LABEL**

If swallowed: Rinse mouth. Do not induce vomiting. Call a Poison Control Center or doctor if you feel unwell.

### **PERSONAL PROTECTIVE EQUIPMENT (PPE)**

Applicators and other handlers must wear: • Protective goggles or safety glasses • Long-sleeved shirt and long pants • Chemical-resistant gloves, such as barrier laminate, butyl rubber, nitrile rubber or viton • Shoes plus socks. Follow manufacturer's instructions for cleaning PPE. If no such instructions exist, use detergent and hot water. Keep and wash PPE separately from other items.

**STOP - READ ENTIRE LABEL BEFORE USING

### **GENERAL INFORMATION**

FBN PUREBLEND MSO is an emulsifiable oil concentrate adjuvant containing a methylated soybean oil blend, surfactants, and emulsifiers. FBN PUREBLEND MSO mixes easily in most spray tank mixtures and can improve leaf penetration of spray droplets, retard evaporation loss and enhance absorption. FBN PUREBLEND MSO is designed for use with herbicides, fungicides, insecticides, defoliants, desiccants, plant growth regulators, and other crop protection products where a methylated seed oil adjuvant is required or recommended, or where the spray mixture benefits from the addition of an oil based adjuvant.

Equipment hygiene and condition, environmental factors and sprayer calibration will affect the efficacy of spray mixtures that contain FBN PUREBLEND MSO. It may be necessary to periodically recalibrate the sprayer and adjust the adjuvant rate. When used according to the Directions for Use, FBN PUREBLEND MSO is compatible with most pesticides and fertilizers. Rates of FBN PUREBLEND MSO may vary with plant and environmental conditions at the time of application.

### **DIRECTIONS FOR USE**

FBN PUREBLEND MSO may be used with agrochemicals and other products registered for agricultural, horticultural, turf, ornamental, industrial and non-crop uses. Prior to use, read all directions on this label and on the label of the product to be applied. Do not use where the pesticide label specifically prohibits the use of an adjuvant. If the pesticide label neither recommends nor prohibits an adjuvant, the applicator must have previous experience with the adjuvant/pesticide spray mixture under local conditions.

NOTE: Some pesticides or pesticide tank mix combinations may cause phytotoxicity to susceptible crops when used with adjuvants. Use caution at higher application rates on sensitive crops. It is recommended that the applicator, user, advisor or crop consultant have experience with the combination before adding FBN PUREBLEND MSO to spray mixes. Otherwise apply a small test area and check the results before widespread use. Exercise care when using FBN PUREBLEND MSO for the first time on new varieties or crops.

## SPECIMEN LABEL

### **USE RATES**

#### **Herbicides**

A general use rate of 2-3 pints per acre will fit most situations

1 - 4 pints per acre with postemergent herbicides

#### **Insecticides, Fungicides**

Use the higher rate where weeds are large, or where vegetation or crop canopy is heavy.

$\frac{3}{4}$  - 2 pints per acre

#### **Aquatic Use**

Aquatic-surface

16 - 32 fl oz per 100 gallons of spray

Aquatic-submerged

20 - 40 fl oz per 100 gallons of spray

These rate recommendations are considered to be sufficient for most uses. Some pesticide labels may require higher or lower adjuvant rates. Read and follow the pesticide(s) label(s) and directions in such cases.

MIXING: Before using this product make sure spray equipment is clean and in proper working order, including tanks, lines, strainers and gauges. Follow all cleaning directions of the pesticide label. Fill spray tank one-half full with clean water and start agitation. Add pesticides in the following order, or as directed by the pesticide label: Dry flowables or water dispersible granules > Wettable powders > Flowables > Solutions > Emulsifiable concentrates. Continue filling. Add FBN PUREBLEND MSO last. Continue agitation.

Note: Use a jar test to determine compatibility of tank mix components. Do not mix FBN PUREBLEND MSO with other adjuvants or crop protection products in undiluted form.

## **STORAGE AND DISPOSAL**

Do not contaminate water, food, or feed by storage or disposal.

### **Storage**

Keep this container tightly closed. Store above 25 degrees F. Store in original container. Do not allow water or other chemicals to be introduced into contents of container. Do not contaminate water sources with equipment wash water or spray disposal wastes. Do not store near feed or food products. Do not use or store near open flame. Do not store with ammonium nitrate or oxidizing agents.

### **Disposal**

Triple rinse container and pour rinsate into spray tank. Do not reuse container. Offer triple-rinsed container for recycling, or puncture & dispose of in a sanitary landfill or by other procedures approved by appropriate authorities. Contact the Ag Container Recycling Council for information on how to recycle this container. [www.acrecycle.com](http://www.acrecycle.com)

In the event of a major spill, fire or other emergency, call 1-800-424-9300.

### **CONDITIONS OF SALE AND WARRANTY**

FBN Inputs, LLC warrants only that this product conforms to the product description on the label. Other than the foregoing Limited Warranty, this product is sold on an “as-is” basis. FBN Inputs, LLC disclaims to the fullest extent permitted by law, all other warranties of any kind, either express or implied, including, but not limited, to: the implied warranty of merchantability, the implied warranty of fitness for a particular purpose, that the use of this product will cause or result in any particular outcome, or the product's compatibility with other products. Some states do not allow limitations on how long an implied warranty lasts, so only portions of the above limitations may apply to user or buyer.

To the fullest extent permitted by law, under no circumstances and under no legal theory (including, without limitation, tort, contract, strict liability, or otherwise) shall FBN Inputs, LLC be liable to user or buyer for (A) any indirect, special, incidental, or consequential damages of any kind, including damages for lost profits or unrealized savings, crop loss, loss of yield, loss of goodwill, work stoppage, or (B) any amount, in the aggregate, in excess of the amount actually paid for this product, exclusive of taxes, shipping & handling, and any other applicable fees, or (C) any other matter. FBN Inputs, LLC further disclaims any liability for compensatory or other damages arising out of any use contrary to label directions. Some states do not allow the exclusion or limitation of certain damages, so only portions of the above limitations and exclusions may apply to user or buyer.
