

# FieldGoal®

## WATER CONDITIONING AGENT DRIFT CONTROL AGENT and DEPOSITION AID SURFACTANT and HUMECTANT

	<b>% BY WT.</b>
<b>PRINCIPAL FUNCTIONING AGENTS</b> .....	34.70%
Hydroxpropane tricarboxylic acid salt, Alkyl glucopyranose oligomers, Dihydroxydiethyl ether	
<b>CONSTITUENTS INEFFECTIVE AS SPRAY ADJUVANTS</b> .....	65.30%
<b>TOTAL</b> .....	100.00%

### KEEP OUT OF REACH OF CHILDREN

### WARNING

May cause damage to kidney organ through prolonged or repeated exposure.

### PRECAUTIONARY STATEMENTS

Do not ingest Avoid contact with skin and eyes. Avoid breathing mist or vapor. Wear protective gloves. Wash hands and face and other affected areas thoroughly after handling. Contaminated work clothing must not be allowed out of the workplace.

### FIRST AID

If swallowed:	<ul style="list-style-type: none"> <li>• Rinse mouth.</li> <li>• Get medical attention if symptoms occur.</li> </ul>
If inhaled:	<ul style="list-style-type: none"> <li>• Remove person to fresh air and keep comfortable for breathing.</li> <li>• Call a doctor if you feel unwell.</li> </ul>
If on skin:	<ul style="list-style-type: none"> <li>• Wash with plenty of water.</li> <li>• If skin irritation occurs: Get medical attention.</li> <li>• Take off contaminated clothing and wash it before reuse.</li> </ul>
If in eyes:	<ul style="list-style-type: none"> <li>• Rinse cautiously with water for several minutes.</li> <li>• Remove contact lenses, if present and easy to do. Continue rinsing.</li> <li>• If eye irritation persists: get medical attention.</li> </ul>
<b>Have the product container or label with you when calling a poison control center or doctor or going for treatment.</b>	

### PRODUCT INFORMATION

FieldGoal® is a blend of water conditioning agent, non-ionic surfactant and deposition agent. The product minimizes antagonistic effects of hard water minerals that can negatively impact the performance of herbicides. The surfactant ingredient in FieldGoal also provides spreading and coverage of the spray over the plant surface, improving the effectiveness of the spray material on the target species. The addition of FieldGoal to the spray mixture enhances deposition and minimizes off-target drift during a spray application. FieldGoal does not contain ammonium sulfate.

FieldGoal is designed to improve the performance of dicamba and other weak acid herbicides when used in tank mixes.

## DIRECTIONS FOR USE

FieldGoal can be used with herbicides registered for use in agriculture, forestry, ornamental and turf settings, as well as, industrial, municipal, right-of-way, non-cropland and other sites.

Refer to the manufacturer's label websites for the latest list of dicamba approved tank mix products.

### MIXING INSTRUCTIONS:

Fill spray tank one-half full with water and begin agitation. Add the required amount of FieldGoal while agitating. Continue filling the spray tank with water while adding other tank mix products. Add the remainder of water and continue agitation until all of the spray mixture has been sprayed.

**GENERAL USE:** Use 4-8 pints per 100 gallons of spray mixture depending on water hardness. Always follow the adjuvant use recommendations as shown on the pesticide label.

**USE WITH ADVANCED DICAMBA PRODUCTS ON DICAMBA-TOLERANT CROPS:** Use 5 pints per 100 gallons of spray mixture. Always check the pesticide manufacturer's website for the latest approved products. **DO NOT ADD THIS PRODUCT AT A RATE WHICH EXCEEDS 5% OF THE FINISHED SPRAY VOLUME.**

### STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal.

**STORAGE:** Store in original container only and keep tightly closed. Store in closed storage areas. Use caution when moving, opening, closing or pouring.

**PRODUCT DISPOSAL:** Dispose of contents in accordance with all government regulations. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of federal law. Wastes resulting from use of this product may be disposed of on site or at an approved waste disposal facility.

**CONTAINER HANDLING:** Dispose of container in accordance with all government regulations. Triple rinse (or equivalent), then offer for recycling, if available, or reconditioning, if appropriate. Alternatively, puncture and dispose of the container in a sanitary landfill, or by other procedures approved by state and local authorities. Recycling cleaned containers is the best option of container disposal. ACRC (Agricultural Container Recycling Council) operates a national recycling program. To contact your state and local ACRC recycler, visit the ACRC web page at [www.acrecycle.org](http://www.acrecycle.org).

### LIMITATION OF WARRANTY AND LIABILITY

Seller warrants that this product conforms to the chemical description on the label. EXCEPT FOR THIS WARRANTY, THE PRODUCT IS FURNISHED "AS-IS," AND SELLER MAKES NO OTHER WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THIS PRODUCT; SELLER SPECIFICALLY DISCLAIMS ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. The limited warranty set forth herein does not apply to, and Buyer accepts all risk arising from, the storage, handling or use of this product contrary to label instructions or under abnormal conditions or conditions not reasonably foreseeable to (or beyond the control of) Seller. To the extent permitted by law, Seller shall not be liable for any incidental, consequential or special damages resulting from the use or handling of this product. THE EXCLUSIVE REMEDY OF BUYER, AND THE EXCLUSIVE LIABILITY OF SELLER, FOR ANY AND ALL CLAIMS, LOSSES, INJURIES OR DAMAGES RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, SHALL BE THE RETURN OF THE PURCHASE PRICE OF THIS PRODUCT, OR, AT THE ELECTION OF SELLER, THE REPLACEMENT OF THE PRODUCT.
