

WILBUR-ELLIS®  
Ideas to Grow With™

### GUARANTEED ANALYSIS

Total Nitrogen (N) .....	4.00%
0.25% Ammoniacal Nitrogen	
3.75% Nitrate Nitrogen	
Calcium (Ca).....	5.30%
Boron (B) .....	0.06%
Zinc (Zn) .....	1.30%

DERIVED FROM: Calcium Nitrate, Calcium Citrate, Zinc Aldocarbosate, Boric Acid, and Ammonium Hydroxide.

**WARNING:** This fertilizer contains boron. Its use on any other plants or under any other conditions other than those specified on the label may result in plant injury.

## KEEP OUT OF REACH OF CHILDREN

# WARNING

Harmful if swallowed.

## PRECAUTIONARY STATEMENTS

Wash thoroughly after handling.  
Do not eat, drink or smoke when using this product.

### FIRST AID

In all cases, call a poison control center or doctor for further treatment advice. **IF SWALLOWED:** Call a poison control center or doctor if you feel unwell. Rinse mouth.

**For chemical spills, leaks, fire or exposure, call CHEMTREC: (800) 424-9300.**

### STORAGE AND DISPOSAL

Store in a safe manner. Store in original container only and keep tightly sealed when not in use. Store product and dispose of unused product and empty containers in accordance with federal, state and local regulations.

### GENERAL INFORMATION

FOLI-GRO® CARBO CAL-ZINC is formulated primarily for foliar applications to prevent or correct calcium and zinc deficiencies in a wide range of agronomic and ornamental plants. Its use is suggested as a supplement to a regular, balanced fertilizer program to enhance yields and improve quality.

Application of FOLI-GRO CARBO CAL-ZINC is a means of obtaining a quick response to needed elements. Foliar applications of FOLI-GRO CARBO CAL-ZINC may be particularly beneficial during periods of peak nutrient demand, for crops grown on soils having poor nutrient availability or to crops suffering from a weakened root system. Avoid foliar nutrient applications to crops during periods of moisture, salinity or heat stress. Applications of foliar nutrients to sensitive crops such as leafy vegetables or soft-skinned fruit during periods of excessive temperatures may cause cosmetic injury.

FOLI-GRO CARBO CAL-ZINC should be used as part of a comprehensive Total Nutrition System® for optimizing plant growth, development, yield and quality.

### DIRECTIONS FOR USE

FOLI-GRO CARBO CAL-ZINC may be applied as a foliar spray by air or by ground. Maintain agitation to provide uniform distribution within the spray tank. Thorough and even spray coverage is essential for maximum nutrient uptake and crop safety. Always include a high quality wetting agent, such as R-11®, at recommended rates.

Optimum rate of application will vary based on a variety of factors including degree of need or deficiency, growth stage, yield potential, environmental conditions, existing soil fertility levels, etc. Exercise caution when applying FOLI-GRO CARBO CAL-ZINC to any crop during bloom, as many factors can affect fruit set and final fruit quality.

Information regarding the contents and levels of metals in this product is available on the Internet at <http://www.aapfco.org/metals.html>

**AERIAL APPLICATIONS AND GROUND SPRAYS:** Use a minimum of 5 gallons of water per acre.

**DILUTE SPRAYS:** Use a minimum of 30 gallons of water per acre.

**CROPS (Including Row, Field and Forage Crops; Vegetable Crops; Fruit Crops; and Other Crops):** Apply 1-4 quarts of FOLI-GRO CARBO CAL-ZINC per acre per application. Do not exceed 1 gallon of FOLI-GRO CARBO CAL-ZINC per acre per application and no more than 8 gallons should be used per season. The number and frequency of applications will determine application rates.

### COMPATIBILITY

FOLI-GRO CARBO CAL-ZINC is compatible with many co-applied nutrient sources as well as plant protection products. Always jar test new combinations for compatibility prior to field mixing. FOLI-GRO CARBO CAL-ZINC is generally incompatible with sulfate and phosphate fertilizers and fixed copper fungicides. FOLI-GRO CARBO CAL-ZINC is formulated as an acidic solution and may reduce final spray solution pH depending on rates, carrier volume and water quality. For this reason, always test spray solution pH before adding acidifiers or buffer adjuvants.

Conditions of Sale and Limitation of Warranty and Liability:

**NOTICE:** Read the entire Directions for Use and Conditions of Sale and Limitation of Warranty and Liability before buying or using the product. If the terms are not acceptable, return the product at once, unopened, and the purchase price will be refunded.

The Directions for Use of the product should be followed carefully. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of many different factors including, without limitation, manner of use or application, weather, combination with other products, or crop conditions. All such risks shall be assumed by Buyer and User, and Buyer and User agree to hold Manufacturer and Seller harmless from any claims relating to such factors.

**Seller warrants that this product conforms to the chemical description on the label. EXCEPT FOR THIS WARRANTY, THE PRODUCT IS FURNISHED "AS-IS," AND NEITHER SELLER NOR MANUFACTURER MAKES ANY OTHER WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THE SELECTION, PURCHASE OR USE OF THIS PRODUCT; SELLER AND MANUFACTURER SPECIFICALLY DISCLAIM ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Buyer and User accept all risks arising from any use of this product, including without limitation uses contrary to label instructions, under abnormal conditions, or under conditions not reasonably foreseeable to (or beyond the control of) Seller or Manufacturer.**

To the extent permitted by law, neither Manufacturer nor Seller shall be liable for any incidental, consequential or special damages resulting from the use or handling of this product. THE EXCLUSIVE REMEDY OF THE BUYER OR USER, AND THE EXCLUSIVE LIABILITY OF MANUFACTURER AND SELLER, FOR ANY AND ALL CLAIMS, LOSSES, INJURIES OR DAMAGES (INCLUDING CLAIMS BASED ON BREACH OF WARRANTY, CONTRACT, NEGLIGENCE, TORT, STRICT LIABILITY OR OTHERWISE) RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, SHALL BE THE RETURN OF THE PURCHASE PRICE OF THIS PRODUCT, OR, AT THE ELECTION OF MANUFACTURER OR SELLER, THE REPLACEMENT OF THE PRODUCT.

These Conditions of Sale and Limitation of Warranty and Liability shall be interpreted in accordance with the laws of the State of California, excluding its conflicts of laws rules, and may not be amended by any oral or written agreement.
