GENERAL INFORMATION

FOLI-GRO® ZBM is designed primarily for foliar applications to prevent or correct nutrient deficiencies in a wide range of plants. Its use is suggested as a supplement to a regular, balanced fertilizer program to enhance yields and improve quality.

Application of this product is a means of obtaining a quick response to needed elements. Foliar applications may be particularly beneficial during periods of peak nutrient demand, for crops grown on soils having poor nutrient availability or to crops suffering from a weakened root system.

This product should be used as part of a comprehensive Total Nutrition System® for optimizing soil/nutrient conditions for plant growth, development, yield and quality.

DIRECTIONS FOR USE

FOLI-GRO ZBM may be applied as a foliar spray by air, ground concentrate or dilute. Maintain agitation to provide uniform distribution within spray tank. Use of a high quality CPDA approved spreader at recommended rates to improve spray cover is usually advised. Do not apply when plants are under excessive heat or moisture stress.

Applications of foliar nutrients to leafy vegetables or soft-skinned fruit during periods of excessive temperatures may cause cosmetic injury. It is advised that this product be diluted with water at no less than 2 parts water to 1 part product.

FIELD AND ROW CROPS: Apply 1-4 quarts per acre as needed.

VEGETABLE CROPS: Apply 1-8 quarts per acre as needed.

GRAPES: Apply 1-2 quarts per acre as needed.

COMPATIBILITY: FOLI-GRO ZBM is compatible with many co-applied nutrient sources as well as crop protection chemicals. Proposed mixtures should be evaluated in a jar test before full scale use. Consult your local Wilbur-Ellis representative for further information.

KEEP OUT OF REACH OF CHILDREN

! WARNING: Causes eye and skin irritation.

PRECAUTIONARY STATEMENT: Wear protective gloves. Wash thoroughly after handling.

FIRST AID: If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical attention. If on skin: Wash with plenty of water. Take off contaminated clothing and wash it before reuse. If skin irritation occurs, get medical attention.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage, disposal or cleaning of equipment. Store in original container only and keep tightly sealed when not in use. Store away from incompatible materials. Dispose of contents/container in accordance with federal, state and local regulations.

WARNING: This product contains boron. The use of the fertilizing material on any crops other than those recommended may result in serious injury to the crops. Application of fertilizing materials containing molybdenum (Mo) may result in forage crops containing levels of molybdenum (Mo) which are toxic to ruminant animals.
