

GCS NOURISH CA (2-0-0)

GCS Nourish Ca is a liquid fertilizer derived from vegetal protein hydrolysate and formulated with Calcium for the prevention and treatment of Calcium deficiencies. GCS Nourish Ca has been formulated as complexed Calcium that may improve nutrient availability.

GUARANTEED ANALYSIS

Total Nitrogen (N) 2%
2% Water Soluble Nitrogen
Calcium (Ca)..... 5%

DERIVED FROM:

Vegetal Protein Hydrolysate, Calcium chloride

DIRECTIONS FOR USE

Field Crops and Vegetables

Apply 16 to 32 fluid ounces per acre during periods of rapid growth, or during nutritional stress. The application may be repeated two (2) or more times throughout the growing season.

Tree Crops

Apply 32 to 64 fluid ounces per acre after the beginning of active shoot growth. The application may be repeated at 2 to 4 week intervals throughout the growing season. Mid- and late-season sprays to the fruit may help to reduce the effect of calcium deficiency-related problems.

Grapes and Berries

Apply 16 to 32 fluid ounces after active growth begins. The application may be repeated at intervals of one week or more during the vegetative growth period.

Use only in case of a recognized need. Do not exceed recommended dose. Do not apply undiluted.

Apply using a spray method with an adequate volume of water to provide complete coverage of the plants. A non-ionic wetting agent may be used to improve spray coverage of certain hard to wet plants. Jar testing is recommended before use.

SHAKE WELL BEFORE USE

Due to product derived from vegetal protein hydrolysate, it is normal to observe separation and color variations within the product. Avoid vapor formation. Use good ventilation where necessary. If necessary, use a properly fitted, air-purifying or air-fed respirator complying with an approved standard.

KEEP OUT OF REACH OF CHILDREN

This product should be kept out of reach of children and animals. Do not eat. Avoid contact with eyes and skin. In case of accidental spillage of fertilizer, collect with absorbent material.

Information regarding the contents and levels of metals in this product is available on the internet at <http://www.aapfco.org/metals.html>

To avoid the contact between the product and the skin, use personal protective equipment for hands and body. If

necessary, use chemical-resistant gloves (approved standard). In case of a high concentration of product in the air, use goggles.

STORAGE AND SAFETY

Store product in a dry place at temperatures between 40° and 95° F. Product is stable at ordinary temperatures and pressures.

LIMITED WARRANTY, DISCLAIMER AND LIMITATION OF DAMAGES

GCS, LLC warrants only that this product conforms to the product description on the label. Other than the foregoing Limited Warranty, this product is sold on an "as-is" basis. GCS, LLC disclaims to the fullest extent permitted by law, all other warranties of any kind, either express or implied, including, but not limited to: the implied warranty of merchantability, the implied warranty of fitness for a particular purpose, that the use of this product will cause or result in any particular outcome, or the product's compatibility with other products. Some states do not allow limitations on how long an implied warranty lasts, so only portions of the above limitations may apply to user or buyer. To the fullest extent permitted by law, under no circumstances and under no legal theory (including, without limitation, tort, contract, strict liability, or otherwise) shall GCS, LLC be liable to user or buyer for (A) any indirect, special, incidental, or consequential damages of any kind, including damages for lost profits or unrealized savings, crop loss, loss of yield, loss of goodwill, work stoppage, or (B) any amount, in the aggregate, in excess of the amount actually paid for this product, exclusive of taxes, shipping & handling, and any other applicable fees, or (C) any other matter. GCS, LLC further disclaims any liability for compensatory or other damages arising out of any use contrary to label directions. Some states do not allow the exclusion or limitation of certain damages, so only portions of the above limitations and exclusions may apply to user or buyer.
