

# GCS NOURISH MN (1-0-0)

GCS Nourish Mn is a liquid fertilizer derived from vegetal protein hydrolysate and formulated with complexed Manganese for the prevention and treatment of Manganese deficiencies. GCS Nourish Mn may improve nutrient availability.

## GUARANTEED ANALYSIS

Total Nitrogen (N) ..... 1%  
1% Water Soluble Nitrogen  
Manganese (Mn)..... 5%  
5% Water Soluble Manganese

## DERIVED FROM:

Vegetal Protein Hydrolysate, Manganese acetate complexed with amino acids from vegetal protein hydrolysate

## DIRECTIONS FOR USE

GCS Nourish Mn can be utilized for foliar treatments and is miscible with most common pesticide products and fertilizer.

Doses and methods of application are to be determined according to the requirements and the nutritional status of the crop. Under standard conditions:

### Field Crops and Vegetables

Foliar: Apply 8 to 10 fluid ounces per acre. The application may be repeated two (2) to three (3) times throughout the growing season.

### Orchards and Viticulture

Foliar: Apply 14 to 28 fluid ounces per acre. The application may be repeated two (2) to three (3) times during the season.

Use only in case of a recognized need. Do not exceed recommended dose. Do not apply undiluted.

Apply using a spray method with an adequate volume of water to provide

complete coverage of the plants. A non-ionic wetting agent may be used to improve spray coverage of certain hard to wet plants. Jar testing is recommended before use.

## SHAKE WELL BEFORE USE

Due to being derived from vegetal protein hydrolysate product, it is normal to observe separation and color variations within the product.

## KEEP OUT OF REACH OF CHILDREN

This product should be kept out of reach of children and animals. Do not eat. Avoid contact with eyes and skin. In case of accidental spillage of fertilizer, collect with absorbent material.

Information regarding the contents and levels of metals in this product is available on the internet at <http://www.aapfc.org/metals.html>

## STORAGE AND SAFETY

Store product in a dry place at temperatures between 40° and 95° F. Product is stable at ordinary temperatures and pressures.

Avoid vapor formation. Use good ventilation where necessary. If necessary, use a properly fitted, air-purifying or

air-fed respirator complying with an approved standard.

To avoid the contact between the product and the skin, use personal protective equipment for hands and body. If necessary, use chemical-resistant gloves (approved standard). In case of a high concentration of product in the air, use goggles.

## LIMITED WARRANTY, DISCLAIMER AND LIMITATION OF DAMAGES

GCS, LLC warrants only that this product conforms to the product description on the label. Other than the foregoing Limited Warranty, this product is sold on an "as-is" basis. GCS, LLC disclaims to the fullest extent permitted by law, all other warranties of any kind, either express or implied, including, but not limited to, the implied warranty of merchantability, the implied warranty of fitness for a particular purpose, that the use of this product will cause or result in any particular outcome, or the product's compatibility with other products. Some states do not allow limitations on how long an implied warranty lasts, so only portions of the above limitations may apply to user or buyer. To the fullest extent permitted by law, under no circumstances and under no legal theory (including, without limitation, tort, contract, strict liability, or otherwise) shall GCS, LLC be liable to user or buyer for (A) any indirect, special, incidental, or consequential damages of any kind, including damages for lost profits or unrealized savings, crop loss, loss of yield, loss of goodwill, work stoppage, or (B) any amount, in the aggregate, in excess of the amount actually paid for this product, exclusive of taxes, shipping & handling, and any other applicable fees, or (C) any other matter. GCS, LLC further disclaims any liability for compensatory or other damages arising out of any use contrary to label directions. Some states do not allow the exclusion or limitation of certain damages, so only portions of the above limitations and exclusions may apply to user or buyer.
