PRECAUTIONARY STATEMENTS:

Wash hands thoroughly after handling. Wear gloves, eye and face protection. Do not breathe dust. Dispose of contents/container in accordance with Federal, state and local regulations. Do not apply near water, storm drains or drainage ditches. Do not apply if heavy rain is expected. Apply this product only to your lawn/garden, and sweep any product that lands on the driveway, sidewalk, or street, back onto your lawn/garden.

FIRST AID:

IF IN EYES: Rinse cautiously with water for 15 minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. IF ON SKIN: Remove contaminated clothing. Wash skin with soap and water. If skin irritation occurs, get medical advice/attention. Wash contaminated clothing before reuse. Get medical attention if you feel unwell.

STORAGE AND DISPOSAL:

Do not stack pallets more than three high. Do not store bags or pallets in areas where they can get wet from precipitation. Bags should be completely empty prior to disposal. Do not re-use bags.

DIRECTION FOR USE:

This product is a turf fertilizer suitable for use in any given application depending upon existing soil chemistry, turf type, and intended use of the turf area. The best results with this product are obtained when it is applied to actively growing grass and watered into the turf soon after application. Avoid mowing immediately following application to prevent pick-up. Application with rotary or pendulum spreaders is recommended for uniform distribution. The use of a drop spreader is not recommended. Consult your spreader manual or spreader manufacturer to determine spreader settings to achieve application rates desired. You may need to adjust the setting depending on the walking speed, spreader condition, and product.

STANDARD APPLICATION RATES:

Desired Nitrogen	Apply product at:		COVERAGE: 50 Lbs.
1.0 lb/1000 ft ²	181.65 lbs/acre	4.17 lbs/1000 ft ²	covers approximately
0.5 lb/1000 ft ²	90.60 lbs/acre	2.08 lbs/1000 ft ²	4.17 lbs per 1000 sq. f

For Turfgrass Applications: Do not apply near water, storm drains, or drainage ditches. Do not apply if heavy rain is expected. Apply this product only to your lawn/garden, and sweep any product that lands on the driveway, sidewalk, or street, back onto your lawn/garden **Virginia:** This product is being used in accordance with the recommended application rates established by the VA Nutrient Management Standards

Virginia: This product is being used in accordance with the recommended application rates established by the VA Nutrient Management Standards & Criteria.

Maryland: This product is being used in accordance with the recommended application rates established by the University of Maryland. Florida: it is recommended that the user of this product follow the Green Industries and Golf Course Best Management Practices found at:http://www.dep.state.fl.us/water/nonpoint/docs/nonpoint/BMP_Book_final.pdf; http://www.dep.state.fl.us/water/nonpoint/docs/nonpoint/glfbmp07.pdf
New Hampshire: Do not exceed 0.7 lb. soluble nitrogen per 1000 sq. ft. per application. Do not exceed 0.9 lb. total nitrogen per 1000 sq. ft. per application. Do not exceed 3.25 lbs. total nitrogen per 1000 sq. ft. per application site per year.
