Molybdenum (Mo).....	0.003%
0.003% Water-soluble Molybdenum	
Zinc (Zn).....	0.5%
0.5% Water-soluble Zinc	

**Derived From:** Copper sulfate, ferrous sulfate, magnesium sulfate, manganese sulfate, zinc sulfate, sodium borate, and sodium molybdate

## KEEP OUT OF REACH OF CHILDREN WARNING

Si usted no entiende la etiqueta, busque a alguien para que se la explique a usted en detalle.  
(If you do not understand the label, find someone to explain it to you in detail.)

### PRECAUTIONARY STATEMENTS

Avoid breathing spray mist. Harmful if swallowed, inhaled or absorbed through skin. May cause irritation of skin and eyes. Avoid contact with eyes. See Storage and Disposal sections for additional cautions. Pregnant or breastfeeding women must not handle this product.

**PERSONAL PROTECTIVE EQUIPMENT (PPE):** Chemical respirator with organic vapor cartridge and full facepiece. Wear chemical resistant gloves, eye protection, long-sleeved shirt, long pants, and shoes plus socks.

### FIRST AID

**IF IN EYES:** Rinse cautiously with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. If eye irritation persists: Get medical advice.

**IF ON SKIN:** Take off contaminated clothing and wash it before reuse. Rinse skin with plenty of water for 15-20 minutes. If skin irritation occurs or if you feel unwell call poison control center or doctor for treatment advice.

**IF SWALLOWED:** Rinse mouth. Call a poison control center or doctor for treatment advice if you feel unwell. Do NOT induce vomiting unless told to do so by a medical professional.

**IF INHALED:** Remove person to fresh air and keep comfortable for breathing. Call a poison control center or doctor for treatment advice if you feel unwell.

**Have the product container or label with you when calling a poison control center or doctor, or going for treatment. In case of medical emergency, call toll free 1-877-424-7452**

### STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

**Storage:** Store in a secure, cool, and dry place away from children, food and feed products. Store in original container only. Keep container tightly closed when not in use. Do not use, store or spill near heat or open flames. Take care to prevent water from being introduced to the contents of the container. Recommended storage temperature is between 32°F and 120°F.

**Disposal:** Do not reuse product containers. Dispose of unused product in accordance with Federal, state and local regulations. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. Contact your state and local ACRC recycler or visit the ACRC web page at [www.acrecycle.org](http://www.acrecycle.org). Decontaminated containers may also be disposed of in a manner allowed by local, state and Federal laws and regulations.

## GENERAL INFORMATION

Gravity L Micro with Max-In® Technology contains CornSorb® Technology which assists in the absorption and movement of nutrients in the plant. Gravity L Micro with Max-In® Technology provides a full complement of micronutrients to promote healthy plant growth. Gravity L Micro with Max-In® Technology is a liquid fertilizer specifically formulated to prevent or correct deficiencies in turf, ornamental, and horticultural applications. Each nutrient is available to the plant through foliar uptake and/or root absorption.

Information regarding the contents and levels of metals in this product is available on the internet at:  
<http://www.aapfco.org/metals.html>

## DIRECTIONS FOR USE READ ENTIRE LABEL BEFORE USING SHAKE WELL BEFORE USING

Gravity L Micro with Max-In® Technology can be mixed with most common pesticides. A jar test should be used to confirm compatibility. Gravity L Micro with Max-In® Technology should not be mixed with strong acids as product degradation will occur and the fertilizer will precipitate.

Turf (Including but not limited to golf courses, commercial, residential, sports turf, sod farms, parks): Gravity L Micro with Max-In® Technology should be applied at 2-6 fl oz. per 1,000 sq. ft. every 7 to 21 days as needed during the growing season. Spray volumes can range from 1-4 gallons per 1,000 sq. ft. for adequate coverage. For best results do not irrigate or mow until sprayed area has completely dried.

Do not apply near water, storm drains or drainage ditches. Do not apply if heavy rain is expected. Apply this product only to your lawn/garden, and sweep any product that lands on the driveway, sidewalk, or street, back onto your lawn/garden.

Ornamentals (including but not limited to greenhouses, nursery, landscapes, transplanted crops): Apply Gravity L Micro with Max-In® Technology as a foliar application using a 0.5% (v/v) solution (3 fl oz in 5 gallons of water) thoroughly wetting the plant. Mix 1 gallon of Gravity L Micro with Max-In® Technology per 200 gallons of water and spray to the point of runoff. For smaller quantities, use approximately 1-2 fl oz per 1 gallon of water. For soil drench applications use 2-3 fl oz in 2 gallons of water per inch or trunk DBH. Thoroughly drench area around trunk. Applications should occur on 10 to 21 day intervals.

A number of variables influence the rate of application necessary to prevent or correct a specific deficiency. For best results, follow good agronomic practices and conduct soil and tissue tests. Additional fertility may need to be supplied from other sources. For specific recommendations for your plants, consult your states recommendations or your local plant expert.

**WARNING:** Over-application or excessive use of boron, or use on crops other than those listed as having a boron response, can result in boron toxicity and may cause serious crop injury.

This product contains Molybdenum. Plants high in molybdenum are toxic to livestock.

**Florida:** it is recommended that the user of this product follow the Green Industries and Golf Course Best Management Practices found at: [http://www.dep.state.fl.us/water/nonpoint/docs/nonpoint/BMP\\_Book\\_final.pdf](http://www.dep.state.fl.us/water/nonpoint/docs/nonpoint/BMP_Book_final.pdf);
