PRECAUTIONARY STATEMENTS

# Hazards To Humans And Domestic Animals

WARNING: Causes eye and skin irritation. Harmful if swallowed, if inhaled or if in contact with skin. Do not get on skin, in eyes or on clothing. Do not eat, drink or smoke when using this product. Avoid breathing spray mist. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Take off contaminated clothing and wash before reuse. Avoid release to the environment.

#### PERSONAL PROTECTIVE EQUIPMENT (PPE)

Wear eye protection, face protection, protective gloves and protective clothing.

# **FIRST AID**

#### IF IN EYES:

- · Rinse cautiously with water for 15 to 20 minutes.
- · Remove contact lenses, if present and easy to do so. Continue rinsing · If eye irritation persists, get medical attention.

#### IF ON SKIN OR CLOTHING:

- · Take off contaminated clothing.
- · Rinse skin immediately with plenty of water for 15 to 20 minutes.
- · If skin irritation occurs, get medical advice.

#### IF SWALLOWED:

- Call a poison control center or doctor if you feel unwell.
- · Rinse mouth.

#### IF INHALED:

- · Remove person to fresh air and keep comfortable for breathing.
- · Call a poison control center or doctor if you feel unwell.

Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also call CHEMTREC at 1-800-424-9300 for emergency.

## **ENVIRONMENTAL HAZARDS**

Do not contaminate water sources by cleaning of equipment or disposal of washwater.

#### **USE INFORMATION**

HOLZIT is a unique, easy to use formulation of ammonium salts and specially designed polymers which acts as a deposition aid, foliar retention agent and canopy penetrating agent.

This product improves spray deposition, retention and canopy penetration. It is also a water conditioning agent that improves pesticide performance by reducing hard water antagonism in the spray tank.

This product is formulated for use with herbicides, insecticides and fungicides, unless specifically prohibited by the pesticide label. Users should always check for tank-mix compatibility with specific pesticides.

## HOLZIT IMPROVES PERFORMANCE

- Improves spray droplet retention
- Offsets effects of cool weather applications •
- Reduces pesticide antagonism caused by water with high mineral contents (Ca, Mg, Na, Fe)
- Increases amount of pesticide delivered to target plants
- Slows droplet drying time delaying crystallization of spray droplets
- · Contains defoamer package

# **DIRECTIONS FOR USE**

This product may be used with registered products in the following applications: Agriculture, Forestry, Horticulture, Industrial, Non-Cropland, Ornamental, Rights-of-Way, Turf and others.

#### **USE RATES**

Ground and Aerial Applications: 9 pounds of this product per 100 gallons of spray solution.

#### **MIXING INSTRUCTIONS**

Important: Add this product to the spray tank before adding any other tank-mix pesticide(s) or additives direct otherwise.

## **Mixing Order**

- 1) Fill tank one-half full of water and begin agitation.
- 2) Slowly add the required amount of this product, unless the tank-mix pesticide(s) or additives direct otherwise.
- 3) Continue filling spray tank with water and add the tank-mix components as directed on the pesticide label(s).

# STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal. **PRODUCT STORAGE:** Keep product cool and dry in sealed original containers. If spill occurs, do not attempt to clean-up with water as area will become slippery. Simply sweep and dispose of material. **PRODUCT DISPOSAL:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

**CONTAINER DISPOSAL:** Do not reuse empty bag. Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration or, if allowed by State and Local authorities, by burning. If burned, stay out of smoke.

# WARRANTY—CONDITIONS OF SALE

OUR DIRECTIONS FOR USE of this product are based upon tests believed reliable. Follow directions carefully. Timing and method of application, weather and crop conditions, mixtures with other chemicals not specifically recommended and other influencing factors in the use of this product are beyond the control of the Seller. To the extent consistent with applicable law, Buyer assumes all risks of use, storage and handling of this material not in strict accordance with directions given herewith. To the extent consistent with applicable law, in no case shall Manufacturer or the Seller be liable for consequential, special or indirect damages resulting from the use or handling of this product when such use and/or handling is not in strict accordance with directions given herewith. The foregoing is a condition of sale by the Seller and is accepted as such by the Buyer.
