

INFOLIUM-EA®

NONIONIC-ANIONIC SURFACTANT ACTIVATOR

PRINCIPAL FUNCTIONING AGENTS:

Polyoxyethylene polyol fatty acid ester, Butyl lactate and Alcohol ethoxylate phosphate ester	98.02%
CONSTITUENTS INEFFECTIVE AS SPRAY ADJUVANT:	1.98%
TOTAL:	100.00%

Surfactant Content: 88.00%
CA Reg. No. 2935-50218

ECO ADVANTAGE® PRODUCT

The ECO ADVANTAGE family of products delivers on a promise to bring innovative technologies that meet the standards of an ecologically friendly platform.

KEEP OUT OF REACH OF CHILDREN

PRECAUTIONARY STATEMENTS: Based on currently available data, this product is not classified as a GHS hazardous substance. However, observe good industrial hygiene practices. Wash hands after handling. Refer to the Safety Data Sheet if first aid instructions are needed.

GENERAL INFORMATION

INFOLIUM-EA® is a nonionic surfactant that utilizes patented technology and is specially formulated to improve the deposition quality of various agricultural chemicals. This product is designed to promote quick wetting and spreading to produce a more uniform spray deposit. It may also increase the absorption and translocation of pesticide products by reducing surface tension of the spray droplets. INFOLIUM-EA can be used for eco-friendly, sustainable, and organic applications to crops and other sites, including aquatic, non-crop vegetation, and turf and ornamental.

FOR ORGANIC PRODUCTION: Ensure that INFOLIUM-EA is added to the application site's Organic System Plan (OSP) before making an application to organic crops.

DIRECTIONS FOR USE

Always read and follow the entire pesticide label for proper timing, rates, specific directions and any special use precautions or regional use recommendations. Use this product in accordance with the instructions found on the pesticide label regarding adjuvants. In the absence of specific instructions, follow the recommendations below which are considered appropriate for most uses.

MIXING: Shake well before use. Start with a clean sprayer. INFOLIUM-EA should be added to the tank according to the mixing order recommended on the pesticide product label.

Continuous agitation of finished spray is recommended throughout the spray operation. If spray solution has been allowed to stand, thoroughly remix before application.

RATE RECOMMENDATIONS: Optimum use rates can be affected by conditions of application such as water hardness, application method, equipment, spray droplet size, spray nozzle selection, or condition or size of foliage. Therefore, carefully observe spray deposition and adjust adjuvant rate accordingly to ensure thorough coverage without excessive runoff.

Use	Rate per 100 gallons of spray mixture	Other
Aquatic		0.25-0.5% v/v of total spray mixture
Backpack and Handheld Sprayers		1-2 Tbsp (0.5-1 fl oz) per gallon of spray mixture
Citrus	2 fl oz when fruit diameter > ¼ inch 2-32 fl oz when fruit diameter < ¼ inch	
Fungicides, Insecticides and Miticides	2-32 fl oz	
Herbicides	6-48 fl oz	
Plant Growth Regulators	8-32 fl oz; unless otherwise stated on the PGR label	
Turf and Ornamental	2-32 fl oz	

For pesticides that permit use of an adjuvant at a higher rate, follow instructions on that pesticide label. However, do not add this product at a rate which exceeds 5% of the finished spray volume. Use caution at the higher use rates. When applying to a sensitive crop or site, first treat a small area to determine if there are any adverse effects to the crop.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage, disposal or cleaning of equipment. Store in original container only and keep tightly sealed when not in use. Store away from incompatible materials. Do not allow this product to freeze.

Nonrefillable container. Do not reuse or refill this container. Triple rinse (or equivalent) during mixing and loading and add rinsate to spray tank. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state or local ACRC recycler, visit the ACRC web page at www.agrecycling.org. Decontaminated containers may also be disposed of in a sanitary landfill in a manner allowed by local, state and federal laws and regulations.

CONDITIONS OF SALE AND LIMITATION OF WARRANTY AND LIABILITY:

NOTICE: Read the entire Directions for Use and Conditions of Sale and Limitation of Warranty and Liability before buying or using the product. If the terms are not acceptable, return the product at once, unopened, and the purchase price will be refunded.

ALL STATEMENTS MADE HEREIN ARE SUBJECT TO APPLICABLE LAW, AND TO THE EXTENT THERE IS ANY INCONSISTENCY OR CONTENTION, APPLICABLE LAW SHALL GOVERN.

The Directions for Use of the product must be followed carefully. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of many different factors including, without limitation, manner of use or application, weather, combination with other products, or crop conditions. All such risks shall be assumed by Buyer and User, and Buyer and User agree to hold Manufacturer and Seller harmless from any claims relating to such factors.

Seller warrants that this product conforms to the chemical description on the label. EXCEPT FOR THIS WARRANTY, THE PRODUCT IS FURNISHED "AS-IS", AND NEITHER SELLER NOR MANUFACTURER MAKES ANY OTHER WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THE SELECTION, PURCHASE OR USE OF THIS PRODUCT; SELLER AND MANUFACTURER SPECIFICALLY DISCLAIM ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE BEYOND WHAT IS STATED ON THE LABEL. Buyer and User accept all risks arising from any use of this product, including without limitation, uses contrary to label instructions, or under conditions not reasonably foreseeable to (or beyond the control of) Seller or Manufacturer.

Neither Manufacturer nor Seller shall be liable for any incidental, consequential or special damages resulting from the use or handling of this product. THE EXCLUSIVE REMEDY OF THE BUYER OR USER, AND THE EXCLUSIVE LIABILITY OF MANUFACTURER AND SELLER, FOR ANY AND ALL CLAIMS, LOSSES, INJURIES OR DAMAGES (INCLUDING CLAIMS BASED ON BREACH OF WARRANTY, CONTRACT, NEGLIGENCE, TORT, STRICT LIABILITY OR OTHERWISE) RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, SHALL BE THE RETURN OF THE PURCHASE PRICE OF THIS PRODUCT, OR, AT THE ELECTION OF MANUFACTURER OR SELLER, THE REPLACEMENT OF THE PRODUCT.

These Conditions of Sale and Limitation of Warranty and Liability shall be interpreted, unless otherwise required by the law of the state of purchase, in accordance with the laws of the State of California, excluding its conflicts of laws rules, and may not be amended by any oral or written agreement.
