

# INHABIT: BUILD GRANULAR

GCS Inhabit: Build Granular is a soil-applied product intended to provide humic and fulvic acid to crops for the purposes of enhancing micronutrient availability and uptake.

GCS Inhabit: Build Granular will not, by itself, constitute a complete fertilizer program or provide all nutrients typically required by agricultural crops.

## GUARANTEED ANALYSIS

### Soil Amending Ingredients

Humic Acid (HA) and Fulvic Acid (FA).....60.00%\*

**Total Other Ingredients.....40.00%**

\*Analyzed using Verploegh and Brandvold method (1990)

## PRODUCT DERIVED FROM

Oxidized Leonardite

## DIRECTIONS FOR USE

Apply GCS Inhabit: Build Granular when a need is identified following soil analysis.

### Soil banded or side dressed

**Field Crops:** Apply up to 75 lbs of GCS Inhabit: Build Granular per acre.

**Tree or Vine Crops:** Apply up to 150 lbs of GCS Inhabit: Build Granular per acre.

### Soil broadcast incorporated

**Field Crops:** Apply up to 150 lbs of GCS Inhabit: Build Granular per acre.

**Tree or Vine Crops:** Apply up to 300 lbs of GCS Inhabit: Build Granular per acre.

**GCS Inhabit:** Build Granular will provide the best results when the application is concentrated in the active root zone or when applied direction to the soil following a shallow cultivation.

For best results and maximum bioactivity, moisture is required. Use irrigation to provide moisture if soil is dry.

Application timing, intervals, and rates may vary according to individual crop requirement, stage of plant development, available nutrient levels in the soil, and overall nutritional status of the crop. Apply as often as every 30 days, as needed.

Use only in case of a recognized need. This product is designed to be applied solely by soil application.

GCS Inhabit: Build Granular can be applied in combination with other products, including compatible plant growth regulators, pesticides, or other granular fertilizers.

Avoid spreading this product during periods of high humidity, or mixing with high moisture fertilizers such as urea.

This product appears as a dark reddish brown to black particles and/or dust that has no odor.

## KEEP OUT OF REACH OF CHILDREN

Information concerning the contents and levels of metals in this product is available online at:  
<http://www.aapfco.org/metals.html>

## STORAGE AND SAFETY

Do not store this product below 50°F (10°C) or above 90°F (30°C).

Ingestion of this product may result in gastrointestinal irritation or pain.

Use a local or general, mechanical exhaust ventilation system capable of maintaining dust emissions, in the work area, above the AIHA WEEL or levels that may cause irritation. Wear safety glasses as needed.

## LIMITED WARRANTY, DISCLAIMER AND LIMITATION OF DAMAGES

GCS, LLC warrants only that this product conforms to the product description on the label. Other than the foregoing Limited Warranty, this product is sold on an "as-is" basis. GCS, LLC disclaims to the fullest extent permitted by law, all other warranties of any kind, either express or implied, including, but not limited to, the implied warranty of merchantability, the implied warranty of fitness for a particular purpose, that the use of this product will cause or result in any particular outcome, or the product's compatibility with other products. Some states do not allow limitations on how long an implied warranty lasts, so only portions of the above limitations may apply to user or buyer. To the fullest extent permitted by law, under no circumstances and under no legal theory (including, without limitation, tort, contract, strict liability, or otherwise) shall GCS, LLC be liable to user or buyer for (A) any indirect, special, incidental, or consequential damages of any kind, including damages for lost profits or unrealized savings, crop loss, loss of yield, loss of goodwill, work stoppage, or (B) any amount, in the aggregate, in excess of the amount actually paid for this product, exclusive of taxes, shipping & handling, and any other applicable fees, or (C) any other matter. GCS, LLC further disclaims any liability for compensatory or other damages arising out of any use contrary to label directions. Some states do not allow the exclusion or limitation of certain damages, so only portions of the above limitations and exclusions may apply to user or buyer.
