GUARANTEED ANALYSIS

Total Nitrogen (N)	2%
Iron (Fe).....	3.6%
3.6% Water Soluble Iron	

Derived From:

Soy Protein Hydrolysate, Iron Sulfate Chelated from Amino Acids & Peptides derived from Seed Protein.

**KEEP OUT OF REACH OF CHILDREN
WARNING**

HAZARD AND PRECAUTIONARY STATEMENTS:

Exposure to this product may result in mild skin irritation. This product should be kept out of reach of animals. Do not eat.

ENVIRONMENTAL PRECAUTIONS:

Do not contaminate water when cleaning equipment or disposing of equipment wash waters.

PERSONAL PROTECTIVE EQUIPMENT (PPE):

Based on currently available data, this product is not classified as a hazardous substance. However, wash hands after handling.

Use standard protective clothing and equipment including gloves, and eye and face protection. Consult the SDS for further information.

FIRST AID:

If Swallowed: Call a poison control center or doctor immediately for treatment advice. Have the person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

If On Skin or Clothing: Take off contaminated clothing and wash it before reuse. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

HAVE THE PRODUCT CONTAINER OR LABEL WITH YOU WHEN CALLING A POISON CONTROL CENTER OR DOCTOR, OR GOING FOR TREATMENT.

GENERAL INFORMATION:

Iron EPC is a concentrated and highly available form of iron in a unique peptide chelation system to enhance availability and reduce leaching in a wide range of pH and soil environments. It may be utilized as in furrow solution as part of a system to treat iron deficiency chlorosis (IDC) in soybeans in addition to treating iron deficiencies in other crops.

DIRECTIONS FOR USE:

Read all label directions carefully before using this product. This product is intended for use in all soils and crops.

Results are best when applied directly in the root zone.

Do not exceed the recommended application rate for this product. Do not apply this product undiluted.

Always start with equipment that has been thoroughly been cleaned and add to 50% water.

TIMING & COMPATIBILITY:

For Soil Application Only

Timing		Compatibility	
Pre-Plant	Not Recommended	Herbicide	Compatible
In Furrow	Best Performance	Fungicide	Compatible
Pre-Emerge	Not Recommended	Insecticide	Compatible
Early Vegetative	Not Recommended	PCR	Compatible
Late Vegetative	Not Recommended	Liquid Fertilizer	Jar Test Recommended
Early Reproductive	Not Recommended	Other Nutritional	Compatible
Late Reproductive	Not Recommended		
Post-Harvest	Not Recommended		

Iron EPC is compatible in solution with most common tank mixes. Not every combination has been tested and some mixes may be incompatible. IAR TEST RECOMMENDED prior to use.

If compatibility issues occur try increasing water ratio and adding a compatibility agent.

For best results and compatibility with starter fertilizer, use with Inhibit P or Inhibit Start (with proper water dilution designated on those respective labels).

SHAKE WELL BEFORE USING

USE RATES:

Iron EPC Per Acre Use Rate	
In Furrow Per Acre Use Rate	Minimum Water Requirements
1 qt. (1L)	2.5 gal (9.5L)
2 qt. (2L)	5 gal (20L)

ADDITIONAL IDC SOLUTIONS

Foliar apply Atarrus at a rate of 16 oz. (475 mL) per acre to enhance iron uptake.

Foliar apply Nourish Fe at 20 to 36 oz. (591 - 1064 mL) for an efficient in season iron source.

Rates are general. To address crop specific needs or deficiency issues consult with an agronomist.

MIXING INSTRUCTIONS:

Always start with equipment that has been thoroughly cleaned. Fill the tank with at least 50% of the final water volume unless otherwise stated on the specific product label. While the carrier is agitating, add tank mix ingredients in the following order:

1. Antifoam and / or compatibility agent
2. Dry formulations (WP, DF, WDG, SG, SP) and ammonium sulfate
3. Flowable formulations (F & FL), liquid concentrates or suspensions (LC, ME, SC, CS)
4. Emulsifiable concentrates (E or EC)
5. Add **Iron EPC** and other soluble liquids (S or SL)
6. Surfactants, water conditioners and other adjuvants
7. Finish filling and continue agitation

STORAGE AND DISPOSAL:

Storage: Store this product between temperatures of 50° F (10° C) and 90° F (30° C). Store in a cool, dry place and out of direct sunlight. Do not store diluted product. Stable under recommended storage conditions.

Disposal: Do not reuse empty container. Triple rinse (or equivalent) during mixing and loading. Decontaminated containers and materials must be disposed of in a manner allowed by local, state and federal laws and regulations.

Recycling decontaminated containers is the best option of container disposal. Visit www.agrecycling.org for the recycling program nearest you.

CONDITIONS OF SALE:

Generic Crop Science, LLC and its affiliates, respective officers, directors, employees, agents, successors, (collectively, "GCS") warrants only that this product conforms to the product description on the label. Other than the foregoing Limited Warranty, this product is sold on an "as-is" basis. GCS disclaims to the fullest extent permitted by law, all other warranties of any kind, either express or implied, including, but not limited to: the implied warranty of merchantability, the implied warranty of fitness for a particular purpose, non-infringement, that the use of this product will cause or result in any particular outcome, the suitability of this product to control any specific agricultural pest or disease, or the product compatibility with other products or permitted tank mixes. If GCS breaches any of its warranties in relation to this product, buyer's and user's exclusive remedy for such breach is limited to GCS repairing or resupplying (at GCS's election) the relevant or comparable products in compliance with such warranty. To the fullest extent permitted by law, under no circumstances and under no legal theory (including, without limitation, tort, contract, strict liability, or otherwise) shall GCS be liable to user or buyer for (A) any direct, special, incidental, consequential, punitive or exemplary or indirect damages of any kind, including damages for lost profits, lost revenue, unrealized savings, crop loss, loss of yield, loss of goodwill, business interruption damages, work stoppage, or (B) any amount, in the aggregate, in excess of the amount actually paid for this product, exclusive of taxes, shipping & handling, and any other applicable fees, or (C) any other matter. GCS further disclaims any liability for compensatory or other damages arising out of any use contrary to the label direction. Some jurisdictions do not allow the exclusion or limitation of certain damages or limitations on how long an implied warranty last, so only portions of the above limitation and exclusions may apply to user or buyer if so restricted by law.
