Kovar Flair NS[™]

NONIONIC SURFACTANT | SPREADER | ACTIVATOR

PRINCIPAL FUNCTIONING AGENTS:

| 4-Nonylphenol, branched, ethoxylated, 1-Butanol, | |
|--|--------|
| polydimethylsiloxane | 90.0% |
| Constituents ineffective as a spray adjuvant | 10.0% |
| Total | 100.0% |

KEEP OUT OF REACH OF CHILDREN

WARNING

Flammable liquid and vapor. Causes serious eye irritation. Harmful if swallowed.

PRECAUTIONARY STATEMENTS

Keep away from heat, sparks, open flames and hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and recieving equipment. Use explosion-proof electrical equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Wear rubber or chemical resistant gloves and eye and face protection. Do not eat, drink, or smoke when using this product.

In case of fire: Use appropriate media to extinguish.

| FIRST AID | |
|--------------------|---|
| If swallowed | Rinse mouth. Call a poison center or doctor if you feel unwell. |
| lf on skin or hair | Take off immediately all contaminated clothing. Wash throughly after handling Rinse skin with water/shower. Get medical attention if irritation develops and persists. |
| lf in eyes | Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. |

Have the product container with you when calling a poison control center or doctor or going for treatment. You may also contact EMERGENCY TELEPHONE NUMBERS:

% By Wt GENERAL INFORMATION

Kovar Flair NS is a nonionic surfactant that can be used with many pesticides, plant growth regulators, desiccants and defoliants. Kovar Flair NS is proven to reduce the surface tension of the applied materials allowing for a greater surface area of the leaf to be contacted by the applied product. Applications with this product increase the rate of movement into the leaf. Kovar Flair NS also provides for improved wetting and a uniform coverage which can lead to better translocation and absorption of systemic products.

Kovar Flair NS is approved for use with many traited herbicide technologies. Always check with the herbicide manufacturers website for the most current approvals.

This product is not approved for aquatic use in Washington.

DIRECTIONS FOR USE

When environmental conditions such as hot, dry weather conditions, which places the target plants under stress conditions, chose the higher recommended rate to improve performance. On sensitive crops, apply to a small area first to evaluate any possible adverse effects.

For herbicides, desiccants, defoliants use 6-48 oz. per 100 gallons spray volume.

For fungicides, insecticides and acaricides use 2–32 oz. per 100 gallons spray volume.

For plant growth regulators use 16-32 oz. per 100 gallons spray volume.

For aquatic applications use 64 oz. per 100 gallons of spray volume with an aquatically approved product or rate prescribed on the herbicide label.

Do not use this product at rates in excess of 5% of the finished spray volume.

The addition of Kovar Flair NS should only be done once all other spray mixture products have been well agitated in the tank. Always add Kovar Flair NS last to the tank unless otherwise directed by pesticide label.

Review both the adjuvant and pesticide label before use. Recommendations and restrictions on the pesticide label take precedence over any recommendations presented on this label. Kovar Flair NS may be applied by ground, air or other spray equipment that is listed on the pesticide label.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal.

STORAGE: Store in a cool, well-ventilated place. Store in original container only and keep tightly closed. Store in closed storage area.

PRODUCT DISPOSAL: Dispose of contents in accordance with all government regulations. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of federal law. Wastes resulting from use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER HANDLING: Dispose of container in accordance with all government regulations. Triple rinse (or equivalent), then offer for recycling, if available, or reconditioning, if appropriate. Alternatively, puncture and dispose of the container in a sanitary landfill, or by other procedures approved by state and local authorities. Recycling cleaned containers is the best option of container disposal. ACRC (Agricultural Container Recycling Council) operates a national recycling program. To contact your state and local ACRC recycler, visit the ACRC web page at www.acrecycle.org.

CONDITIONS OF SALE AND LIMITATION OF WARRANTY AND LIABILITY

NOTICE: Read the entire Directions for Use and Conditions of Sale and Limitation of Warranty and Liability before buying or using the product. If the terms are not acceptable, return the product at once, unopened, and the purchase price will be refunded.

ALL STATEMENTS MADE HEREIN ARE SUBJECT TO APPLICABLE LAW, AND TO THE EXTENT THERE IS ANY INCONSISTENCY OR CONTENTION, APPLICABLE LAW SHALL GOVERN.

The Directions for Use of the product must be followed carefully. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of many different factors including, without limitation, manner of use or application, weather, combination with other products, or crop conditions. All such risks shall be assumed by Buyer and User, and Buyer and User agree to hold Manufacturer and Seller harmless from any claims relating to such factors.

Seller warrants that this product conforms to the chemical description on the label. EXCEPT FOR THIS WARRANTY, THE PRODUCT IS FURNISHED "AS-IS", AND NEITHER SELLER NOR MANUFACTURER MAKES ANY OTHER WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THE SELECTION, PURCHASE OR USE OF THIS PRODUCT; SELLER AND MANUFACTURER SPECIFICALLY DISCLAIM ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE BEYOND WHAT IS STATED ON THE LABEL. Buyer and User accept all risks arising from any use of this product, including without limitation, uses contrary to label instructions, or under conditions not reasonably foreseeable to (or beyond the control of) Seller or Manufacturer.

Neither Manufacturer nor Seller shall be liable for any incidental, consequential or special damages resulting from the use or handling of this product. THE EXCLUSIVE REMEDY OF THE BUYER OR USER, AND THE EXCLUSIVE LIABILITY OF MANUFACTURER AND SELLER, FOR ANY AND ALL CLAIMS, LOSSES, INJURIES OR DAMAGES (INCLUDING CLAIMS BASED ON BREACH OF WARRANTY, CONTRACT, NEGLIGENCE, TORT, STRICT LIABILITY OR OTHERWISE) RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, SHALL BE THE RETURN OF THE PURCHASE PRICE OF THIS PRODUCT, OR, AT THE ELECTION OF MANUFACTURER OR SELLER, THE REPLACEMENT OF THE PRODUCT.

These Conditions of Sale and Limitation of Warranty and Liability shall be interpreted, unless otherwise required by the law of the state of purchase, in accordance with the laws of the State of California, excluding its conflicts of laws rules, and may not be amended by any oral or written agreement.
