SN 061915

MANUFACTURED FOR
HELENA CHEMICAL COMPANY
225 SCHILLING BOULEVARD, SUITE 300
COLLIERVILLE, TN 38017

GENERAL INFORMATION

LAKE COLORANT HP WSP is essential for maintaining the natural beauty of contained bodies of water. Using LAKE COLORANT HP WSP within suggested rates will not harm fish or other animals. Swimming and other recreation sports are approved during and following the use of this product. Do not use this product for water not completely controlled by the user, such as streams, rivers, or outflows. LAKE COLORANT HP WSP may be applied to water used for irrigation, but not for direct human consumption.

AQUATIC COLORANT USE

LAKE COLORANT HP WSP will turn off-colored water to an attractive, natural blue. Use LAKE COLORANT HP WSP to color contained bodies of water, including water hazards, ponds, small lakes and fountains - anywhere you need your ornamental water to be the center of attention. Determine the volume of water to be treated. Use the rate chart to find the amount of colorant to use. Vary rates accordingly for darker or lighter water color. For even coverage and quick results, drop the water soluble pack into the water at evenly spaced intervals.

AQUATIC SPRAY PATTERN INDICATOR

To mark emerged weeds during aquatic weed control applications, use LAKE COLORANT HP WSP at suggested rate. Treated weeds will be conveniently marked with a blue color indicating herbicide application. The applicator may vary the intensity of

the mark by adjusting the use rate. Colored water resulting from overspray may occur.

Table with 2 columns: Area to be treated, Rate to use. Rows: 1 acre-foot* (1,234 m) - 1-2 packets; 4 acre-feet (4,934 m) - 4-8 packets

*1 acre foot = 1 surface acre, 1 foot deep or 325,857 gallons of water

Table with 2 columns: 200 gallons, 1-2 packets

SPECIAL INSTRUCTIONS

DO NOT FREEZE. Store in a cool, dry area above 40° F/4° C. Water-soluble film may become brittle at colder temperatures. Always protect the Water-Soluble-Pack from exposure to moisture or high humidity. Do not handle the WSP with wet hands. Reseal the protective outer bags immediately after the packs are removed.

According to the U.S. Environmental Protection Agency, Office of Pesticides and Toxic Substances, no clearance is required of this product under 40 CFR 180.1001 for use on non-food crops.

Independent laboratory testing for toxicity to rainbow trout, bluegill, or water flea, as well as acute oral toxicity, acute dermal toxicity, primary dermal irritation, primary eye irritation, ames assay, and dermal sensitization has certified LAKE COLORANT HP WSP as a non-irritant and/or non-toxic.

This product does not require a hazard warning in accordance with GHS criteria.

**CONDITIONS OF SALE–LIMITED WARRANTY
AND LIMITATIONS OF LIABILITY AND REMEDIES**

Read the Conditions of Sale–Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded.

The directions on this label are believed to be reliable and must be followed carefully. Insufficient control of pests and/or injury to the crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of Helena Chemical Company (the "Company") or seller. In addition, failure to follow label directions may cause injury to crops, animals, man or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to in the directions for use subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind, express or implied, concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law.

The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at Helena Chemical Company's election, one of the following:

1. Refund of the purchase price paid by buyer or user for product bought, or
2. Replacement of the product used

To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company and the seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
