

Ingredients: Compost extract, kelp (Ascophyllum nodosum) and azomite.

ALSO CONTAINS NON-PLANT FOOD INGREDIENT:

1.00% Humic acids from Leonardite ore.

KEEP OUT OF REACH OF CHILDREN

WARNING

Harmful if swallowed. Avoid contact with skin, eyes or clothing.

F1548 FOR AGRICULTURAL OR PROFESSIONAL USE ONLY

FIRST AID

If in eyes: Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If swallowed: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 to 20 minutes. Call a poison control center or doctor for treatment advice.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

FOR A MEDICAL EMERGENCY INVOLVING THIS PRODUCT, CALL 1-866-944-8565.

GENERAL INFORMATION

Apply as a broadcast, banded, shanked or injected application (see directions for application). As the use of SOIL MAXIMIZER may affect crop nutrient response, timing and frequency of fertilizer applications should be based upon crop nutrition monitoring (tissue testing, post-harvest soil testing). Where warranted, adjust fertilizer rates and replace with a minimum of a 1:1 ratio of up to 15 gallons of SOIL MAXIMIZER per/acre/application. Use 20-40 gallons per acre in a minimum of two applications during the growing season, or as needed. Split applications should apply the majority of the material in the first application (2/3 of seasonal use), and the balance during the growing season (1/3). Example: Apply 30 gallons per acre per season in a minimum of two applications. The first application (primary inoculant), of 20 gallons should be applied prior to, or at planting. Subsequent (maintenance) applications of 5-10 gallons can be made through the most convenient application means (water run, or side dress).

SHAKE/AGITATE WELL BEFORE USING

DIRECTIONS FOR APPLICATION

FOR A SEASONAL TOTAL OF 20-40 GPA USE A COMBINATION OF THE FOLLOWING METHODS:

| | Field/row crops Gallons/Acre | Tree Vine Crops Gallons/Acre |
|----------------------|---------------------------------|---------------------------------|
| Broadcast | 20 | 20 |
| Under seed | 5 | -- |
| Side dress | 5-8 | 10 |
| Water run/Sprinkler* | 5-15 | 5 |
| MICRO-IRRIGATION | 10-15 | 5-10 |

* Continue irrigation 1 hour after application to reduce risk of phytotoxicity and to facilitate product movement.

INCOMPATIBILITIES

Do not exceed a 50 percent mix with N-P-K fertilizers unless diluted with sufficient amounts of water to ensure ease of mixing and application. Always jar test newly attempted mixes. No other known incompatibilities. Avoid strongly acidic conditions. Do not mix with Aqua Ammonia, Sulfuric Acid, Urea, or soil fumigants.

STORAGE and DISPOSAL

Storage in a cone-bottomed tank to facilitate agitation is recommended. When stored in cone-bottomed tank, agitate 10 minutes before shipment. When stored in a flat-bottom tank, agitate 1 hour before shipment. Avoid air blast agitation, as foaming will result. If foaming does occur through normal agitation, use a quality defoamer. Agitation is recommended once every month. Agitation prior to product transfer and shipment is required. Storage for longer than 12 months is not recommended.

DISPOSAL: Do not reuse container. Plastic: Triple rinse (or equivalent), adding rinse water to spray tank, then offer for recycling at an ACRG site (go to http://www.acrcycle.org/ for locations) or by reconditioning, or puncture and dispose of in a sanitary landfill or by other procedures approved by state and local authorities. Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. Do not contaminate water, food, or feed by storage or disposal. HANDLING: Avoid breathing fertilizer mists. Avoid prolonged or repeated skin contact. Avoid eye contact. Wash hands thoroughly after handling this product.

For help with any spill, leak, fire or exposure involving this material, call day or night CHEMTREC 1-800-424-9300.

CONDITIONS OF SALE AND LIMITATION OF WARRANTY AND LIABILITY

BEFORE BUYING OR USING THIS PRODUCT, read the Directions for Use and the following Conditions of Sale and Limitation of Warranty and Liability. By buying or using this product, the buyer or user accepts the following Conditions of Sale and Limitation of Warranty and Liability, which no employee or agent of LOVELAND PRODUCTS, INC. or the seller is authorized to vary.
