

Liquid AMS

WATER CONDITIONER

SUGGESTIONS FOR USE

Liquid AMS is for use with herbicides suggesting or requiring the use of ammonium sulfate. It is most beneficial due to its lack of corrosiveness or abrasiveness to spray nozzles.

Herbicides, Defoliants and Desiccants: Apply 1-2 qts / Acre or 1-5 gallons per 100 gallons of solution.

Liquid AMS is intended for use with herbicides such as Roundup, Poast, Poast Plus, Gramoxone and any others where ammonium sulfate is recommended.

NOTE: If the pesticide manufacturer requires the use of a surfactant, then always include a non-ionic surfactant labeled for such use, such as Surf 90. Surfactant must contain at least 90% active ingredient.

DIRECTIONS FOR USE

Rate of **Liquid AMS** may vary with the conditions of application. Always add as the last ingredient to tank with agitator running.

Always read and follow the entire herbicide label for proper timing rates, specific directions and any special use precautions or regional use recommendations.

PRINCIPAL FUNCTIONING AGENTS:

Blend of Ammoniated Salts & dimethylpolysiloxane 35.50%
INERT INGREDIENTS 62.50%

KEEP OUT OF REACH OF CHILDREN

Warning Hazard Statement

Harmful if swallowed. Causes eye irritation. Causes mild skin irritation.

FIRST AID

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 to 20 minutes. Call a poison control center or doctor for treatment advice.

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious or convulsing person.

PRECAUTIONARY STATEMENTS

Avoid contact with skin, eyes or clothing. Avoid breathing dust, fume, mist, vapors, spray. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or smoking tobacco. Remove and wash contaminated clothing before reuse.

ENVIRONMENTAL PRECAUTIONS

Do not contaminate water. Do not allow spills/wash water to enter drains, sewers or water ways.

PERSONAL PROTECTIVE EQUIPMENT

Applicators and other handlers must wear: Chemical-resistant gloves, eye protection, long-sleeved shirt and long pants, and shoes plus socks.

STORAGE AND DISPOSAL

Prohibitions: Do not contaminate water, food or feed by storage, disposal or cleaning of equipment.

Storage: Store in original container only and keep sealed. Store in closed storage areas. Use caution when moving, opening, closing or pouring.

Pesticide Disposal: Improper disposal of excess spray mixture or rinsate is a violation of federal law. Wastes resulting from use of this product should be disposed of through on site application or at an approved waste disposal facility.

Container Disposal: Triple rinse (or equivalent), then offer recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or other procedures approved by state and local authorities.

NOTICE: The statements made on this label are believed to be true and accurate but because of conditions of use which are beyond our control, Mar Vista Resources, LLC. does not make nor does it authorize any agent or representative to make any warranty, guarantee or representation, expressed or implied, concerning this material or the use thereof, except in conformity with the statements of the label. Neither Mar Vista Resources, LLC. nor the seller shall be held responsible in any manner for any personal injury or property damage or loss resulting to the buyer or to the other person from handling, storage or use of this material not in accordance with the directions. The buyer assumes all risk and liability resulting from improper handling, storage or use and accepts and uses this material on these conditions. This product meets E.P.A. Requirements under Title 40 CFR 180.1001 subparagraph C & D.
