

LockDown

Principal Functioning Agents:

Proprietary blend of ammonium salts and micro homogenized organo modified elasto polymers100%

Components exempt from the requirement of a tolerance in
CFR 40 180. 920, 930, 940, 950, 960 & 25B

KEEP OUT OF REACH OF CHILDREN CAUTION

GENERAL INFORMATION

LOCKDOWN is a unique micro homogenized, easy to use formulation of ammonium salts and specially designed polymers which acts as a deposition aid, foliar retention agent and canopy penetrating agent.

LOCKDOWN improves spray deposition, retention and canopy penetration. **LOCKDOWN** also improves pesticide performance by reducing hard water antagonism in the spray tank.

LOCKDOWN is formulated for use with herbicides, insecticides and fungicides, unless specifically prohibited by the pesticide label. Users should always check for tankmix compatibility with specific pesticides.

LOCKDOWN IMPROVES PERFORMANCE

Improves spray droplet retention

- Offsets effects of cool weather applications
- Reduces pesticide antagonism caused by water with high mineral contents (Ca,Mg,Na,Fe)
- Increases amount of pesticide delivered to target plants
- Slows droplet drying time - delaying crystallization of spray droplets

DIRECTIONS FOR USE

LOCKDOWN may be used with registered products in the following applications: Agriculture, Forestry, Horticulture, Industrial, Non-Cropland, Ornamental, Right-of-Way, Turf and others.

USE RATES

Ground and Aerial Applications

9 lbs. of **LOCKDOWN** per 100 gallons of spray solution.

MIXING INSTRUCTIONS

IMPORTANT - Add **LOCKDOWN** to the spray tank first before adding any other tank mix product, unless the tank mix pesticide(s) or additives direct otherwise.

Mixing Order

1. Fill tank 1/2 full of water and begin agitation.
2. Slowly add the required amount of **LOCKDOWN** and allow the product to completely dissolve.
3. Continue filling spray tank with water and add the tank mix components as directed on the pesticide label(s).

STORAGE & DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Keep product cool and dry in sealed original containers. If spill occurs, do not attempt to clean-up with water as area will become slippery. Simply sweep and dispose of material.

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS CAUTION

Harmful if swallowed, absorbed through skin or inhaled. Avoid contact with eyes, on skin or clothing. Avoid breathing vapors or spray mist. Remove and wash contaminated clothing before reuse. Wash thoroughly with soap and water and before eating, drinking, chewing gum, using tobacco or using the toilet.

FIRST AID

IF SWALLOWED:

- Call a doctor or poison control center immediately.
- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to by a poison control center or doctor.
- Do not give anything by mouth to an unconscious person.

IF IN EYES:

- Hold eye open and rinse slowly and gently with water for 15 – 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing.
- Call poison control center or doctor for treatment advice.

IF ON SKIN:

- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15 – 20 minutes.
- Call a poison control center or doctor for treatment advice.

IF INHALED:

- Move person to fresh air.
- If person is not breathing call 911 or an ambulance, then give artificial resuscitation.
- Call a poison control center or doctor for further treatment advice.

NOTICE – READ CAREFULLY

Condition of Sale – Aurora Cooperative Elevator Company (and seller) offer(s) this product for sale subject to and buyer and all users are deemed to have accepted the following conditions of sale and warranty.

Warranty Limitation – Aurora Cooperative Elevator Company warrants that this product conforms to the chemical description on the label subject to the inherent risks referred to below. Aurora Cooperative Elevator Company makes no other express warranties, which extend beyond the description on the label hereof. **THERE IS NO WARRANTY OF MERCHANTABILITY** and there are no warranties, which extend beyond the description on the label hereof.

Inherent Risks – The directions for use of this product are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks associated with use. Buyer assumes all risks associated with use of this product contrary to label directions or resulting from extraordinary conditions.

Limitation of Liability – In no case shall Aurora Cooperative Elevator Company be liable for special, indirect or consequential damages resulting from the use or handling of this product and no claim of any kind shall be greater in amount than the purchase price of the product in respect of which damages may be claimed.

Manufactured for: Aurora Cooperative Elevator Company
LOCKDOWN - is a Trademark of Aurora Cooperative Elevator Company
