

Deposition-Coverage and Drift Retardant

PRINCIPAL FUNCTIONING AGENTS:

Amine salts of organic acid, Organic acid,
Aromatic petroleum distillate and Aliphatic
petroleum distillate 100.0%

Ingredients exempt from tolerance under 40 CFR 180.

KEEP OUT OF REACH OF CHILDREN

WARNING

Causes serious eye irritation.

Causes skin irritation.

Harmful if inhaled.

Harmful if swallowed.

May cause respiratory irritation.

Combustible liquid.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

WARNING: Causes serious eye irritation. Causes skin irritation. Harmful if swallowed, if inhaled or if in contact with skin. May cause respiratory irritation. Do not get on skin, in eyes or on clothing. Do not breathe vapor or spray mist. Do not eat, drink or smoke when using this product. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Take off contaminated clothing and wash before reuse. Avoid release to the environment.

PERSONAL PROTECTIVE EQUIPMENT (PPE)

Wear eye protection, face protection, protective gloves and protective clothing.

FIRST AID

IF IN EYES:

- Rinse cautiously with water for 15 to 20 minutes.
- Remove contact lenses, if present and easy to do so. Continue rinsing.
- If eye irritation persists, get medical attention.

IF ON SKIN OR CLOTHING:

- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15 to 20 minutes.
- If skin irritation occurs, get medical advice.

IF INHALED:

- Remove person to fresh air and keep comfortable for breathing.
- Call a poison control center or doctor if you feel unwell.

IF SWALLOWED:

- Call a poison control center or doctor if you feel unwell.
- Rinse mouth.

Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also call CHEMTREC at 1-800-424-9300 for emergency.

ENVIRONMENTAL HAZARDS

Do not contaminate water sources by cleaning of equipment or disposal of washwater.

USE INFORMATION

LOX is an effective, easy-to-use drift control agent for improving deposition and retarding mist and drift in spraying operations for crop applications. This product is compatible with most water-soluble and wettable powder pesticides, desiccants and defoliant when applied by aerial application or standard ground equipment.

This product will retard, but not totally eliminate drift.

DIRECTIONS FOR USE

Always read and follow the label of the pesticide(s) and additive(s) to be used with this product. Always refer to the pesticide and additive label(s) for additional restrictions and precautions. Follow the most restrictive label.

This product should be used at the rate of 4 to 8 fluid ounces per acre based on the following chart:

4 to 6* fl. ozs. per Acre with:	6 to 8* fl. ozs. per Acre with:
2,4-D, Banvel®, Buctril®, Clarity®, Dimethoate, Marksman®, Warrior®	Gramoxone®, Quik-Quat™ (Paraquat), Roundup Ultra®, Imitator® Plus (Glyphosate), Tilt®, Treflan® (Trifluralin)
*Do not exceed the rate of 5% of this product in the finished spray volume.	

USE PRECAUTIONS

The degree of drift hazard varies with the type of pesticide, application conditions and vegetation near the sprayed area. Consult your Local Agricultural Advisor. Remember, pesticide drift is no accident. Common sense and sound application technology must be followed when spraying pesticides.

MIXING DIRECTIONS

Always try a small sample batch before making a full tank.

1. Fill the mix tank with pesticide(s) and/or other adjuvant(s).
2. Add this product.
3. When mixing with an aqueous solution (AS) or emulsifiable concentrate (EC), premixing of this product and the AS or EC is suggested. If water is needed for the initial mixing, do not use more than 1 quart of water per acre.
4. Complete the filling of the spray tank.
5. In case of excessive thickening or lumps due to over-agitation or excessive rates of this product, add household ammonia to break up.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

PRODUCT STORAGE: May be stored below 32°F if thawed and thoroughly agitated before use. Keep container closed in storage. Do not allow water to be introduced. Store only in original container.

PRODUCT DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Do not reuse empty container. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler, visit the ACRC web page at www.acrecycle.org. Decontaminated containers may also be disposed of in a sanitary landfill.

WARRANTY—CONDITIONS OF SALE

OUR DIRECTIONS FOR USE of this product are based upon tests believed reliable. Follow directions carefully. Timing and method of application, weather and crop conditions, mixtures with other chemicals not specifically recommended and other influencing factors in the use of this product are beyond the control of the Seller. To the extent consistent with applicable law, Buyer assumes all risks of use, storage and handling of this material not in strict accordance with directions given herewith.

To the extent consistent with applicable law, in no case shall the Manufacturer or the Seller be liable for consequential, special or indirect damages resulting from the use or handling of this product when such use and/or handling is not in strict accordance with directions given herewith. The foregoing is a condition of sale by the Seller and is accepted as such by the Buyer.
