

## GUARANTEED ANALYSIS

Boron (B) ..... 0.20%  
Zinc (Zn) ..... 6.00%

Derived from Sodium Borate and Zinc Oxide.

### ALSO CONTAINS NON-PLANT FOOD INGREDIENT:

Phosphorous Acid ..... 31.00%

F2544

## GENERAL INFORMATION

MAX SET® ZB is designed to prevent or correct boron and zinc deficiencies in a wide range of agronomic and ornamental plants. Its use is suggested as a supplement to a regular, balanced fertilizer program to enhance yields and improve quality. Application is a means of obtaining a quick response to needed elements. Foliar applications may be particularly beneficial during periods of peak nutrient demand, for crops grown on soils having poor nutrient availability or to crops suffering from a weakened root system.

MAX SET ZB should be used as part of a comprehensive Total Nutrition System® for optimizing soil/nutrient conditions for plant growth, development, yield and quality.

## DIRECTIONS FOR USE

MAX SET ZB may be applied as a foliar spray by air, ground concentrate or dilute. Maintain agitation to provide uniform distribution within spray tank. Use of a high quality CPDA approved spreader at recommended rates to improve spray cover is usually advised.

Do not apply when plants are under excessive heat or moisture stress. Applications of foliar nutrients to leafy vegetables or soft-skinned fruit during periods of excessive temperatures may cause cosmetic injury. Applications of certain micronutrients to fleshy fruit within 30 days of harvest may result in staining of rind or skin.

**FIELD AND ROW CROPS:** Apply 1-3 pints per acre with sufficient water for thorough coverage. Make application prior to bloom on a crop such as cotton or within 40 days of a plant's grain development on a crop such as corn.

**OTHER CROPS:** Apply 1-3 pints per acre with sufficient water for thorough coverage.

MAX SET ZB contains free phosphorous acid. Care should be taken on sensitive crops that are prone to phytotoxicity.

**COMPATIBILITY:** This product is formulated to achieve an acidic spray solution. Final spray solution pH will vary depending on rate, water volume and quality. Excessive acidification may solubilize metals and cause phytotoxicity. Do not combine with copper plant protection products if spray solution has a pH of 6.5 or less, or apply to crops within 30 days of having been treated with copper crop protection chemicals. Always test spray tank pH prior to application.

Do not apply with silicone-based adjuvants at rates exceeding 4 ounces of organosilicone per 100 gallons of water. Do not apply in combination with 2 or more emulsifiable concentrate- or oil-based pesticide formulations.

Proposed mixtures should be evaluated in a jar test before full-scale use. Consult with your local Wilbur-Ellis representative for further information.

## KEEP OUT OF REACH OF CHILDREN

**DANGER:** Causes severe skin burns and eye damage. Suspected of damaging fertility or the unborn child.

**PRECAUTIONARY STATEMENTS:** Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves, clothing, eye and face protection. Do not breathe mist or vapors. Wash thoroughly after handling.

**FIRST AID:** If on skin (or hair): Take off immediately all contaminated clothing. Rinse skin with water. Wash contaminated clothing before reuse. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a poison control center or doctor. If swallowed: Rinse mouth. Do NOT induce vomiting. If inhaled: Remove person to fresh air and keep comfortable for breathing.

**STORAGE AND DISPOSAL:** Store locked up. Do not contaminate water, food or feed by storage, disposal or cleaning of equipment. Store in original container only and keep tightly sealed when not in use. Dispose of contents/container in accordance with federal, state and local regulations.

**ATTENTION:** This product contains boron. The use of this fertilizing material on any crops other than those recommended may result in serious injury to the crop(s).

Information regarding the contents and levels of metals in this product is available on the Internet at <https://www.aapfco.org/metals.html>

## CONDITIONS OF SALE AND LIMITATION OF WARRANTY AND LIABILITY

NOTICE: Read the entire Directions for Use and Conditions of Sale and Limitation of Warranty and Liability before buying or using the product. If the terms are not acceptable, return the product at once, unopened, and the purchase price will be refunded.

The Directions for Use of the product should be followed carefully. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of many different factors including, without limitation, manner of use or application, weather, combination with other products, or crop conditions. All such risks shall be assumed by Buyer and User, and Buyer and User agree to hold Manufacturer and Seller harmless from any claims relating to such factors.

Seller warrants that this product conforms to the chemical description on the label. EXCEPT FOR THIS WARRANTY, THE PRODUCT IS FURNISHED "AS-IS," AND NEITHER SELLER NOR MANUFACTURER MAKES ANY OTHER WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THE SELECTION, PURCHASE OR USE OF THIS PRODUCT; SELLER AND MANUFACTURER SPECIFICALLY DISCLAIM ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Buyer and User accept all risks arising from any use of this product, including without limitation uses contrary to label instructions, under abnormal conditions, or under conditions not reasonably foreseeable to (or beyond the control of) Seller or Manufacturer.

To the extent permitted by law, neither Manufacturer nor Seller shall be liable for any incidental, consequential or special damages resulting from the use or handling of this product. THE EXCLUSIVE REMEDY OF THE BUYER OR USER, AND THE EXCLUSIVE LIABILITY OF MANUFACTURER AND SELLER, FOR ANY AND ALL CLAIMS, LOSSES, INJURIES OR DAMAGES (INCLUDING CLAIMS BASED ON BREACH OF WARRANTY, CONTRACT, NEGLIGENCE, TORT, STRICT LIABILITY OR OTHERWISE) RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, SHALL BE THE RETURN OF THE PURCHASE PRICE OF THIS PRODUCT, OR, AT THE ELECTION OF MANUFACTURER OR SELLER, THE REPLACEMENT OF THE PRODUCT.

These Conditions of Sale and Limitation of Warranty and Liability shall be interpreted in accordance with the laws of the State of California, excluding its conflicts of laws rules, and may not be amended by any oral or written agreement.
