PRECAUTIONARY STATEMENTS

Hazards To Humans And Domestic Animals

WARNING: Causes skin and eye irritation. Harmful if swallowed or if inhaled or in contact with skin. Do not get on skin, in eyes or on clothing. Do not eat, drink or smoke when using this product. Avoid breathing spray mist. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Take off contaminated clothing and wash before reuse.

PERSONAL PROTECTIVE EQUIPMENT (PPE)

Wear protective gloves, long-sleeved shirt, long pants and shoes plus socks.

FIRST AID

IF ON SKIN OR CLOTHING:

- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15 to 20 minutes.
- If skin irritation occurs, get medical advice.
- Call a poison control center or doctor if you feel unwell.

IF IN EYES:

- Rinse cautiously with water for 15 to 20 minutes.
- Remove contact lenses, if present and easy to do so. Continue rinsing.
- If eye irritation persists, get medical attention.

IF SWALLOWED:

- Call a poison control center or doctor if you feel unwell.
- Rinse mouth.

IF INHALED:

- Remove person to fresh air and keep comfortable for breathing.
- Call a poison control center or doctor if you feel unwell.

Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also call CHEMTREC at 1-800-424-9300 for emergency.

ENVIRONMENTAL HAZARDS

Do not contaminate water sources by cleaning of equipment or disposal washwater.

USE INFORMATION

MES-100 is a multi-component spray adjuvant developed to maximize the performance of most post-emergent herbicides. This product may be used as a replacement for non-ionic surfactants and crop oil (petroleum oils) in most post-emergence herbicide spray mixes. Methylated seed oils tests by universities and research indicate methylated seed oil improves the performance consistency of post-emergence herbicides such as Accent®, Accent Gold®, Assert®, Beyond™, Chopper®, Classic®, Drive®, Equip™, Journey™, Option®, Osprey®, Plateau®, Poast®, Poast Plus®, Pursuit®, Raptor®, Revolver™, Ultra Blazer® and other herbicides.

DIRECTIONS FOR USE

Use this product at 1 pint to 5 quarts per acre with post-emergent herbicides. Higher rates may be necessary for special applications. Always add this product last to the spray mix and continue agitation or follow specific tank filling information on the herbicide label. Always refer to the herbicide labels for additional recommendations or use precautions. Read and follow the label of the herbicide to be used with this product.

Not for aquatic use.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

PRODUCT STORAGE: Store in original container. Keep container tightly closed. Protect from freezing.

PRODUCT DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER HANDLING: Do not reuse empty container. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrecycle.org. Decontaminated containers may also be disposed of in a sanitary landfill.

WARRANTY—CONDITIONS OF SALE

OUR DIRECTIONS FOR USE of this product are based upon tests believed reliable. Follow directions carefully. Timing and method of application, weather and crop conditions, mixtures with other chemicals not specifically recommended and other influencing factors in the use of this product are beyond the control of the seller. To the extent consistent with applicable law, Buyer assumes all risks of use, storage and handling of this material not in strict accordance with directions given herewith.

To the extent consistent with applicable law, in no case shall the Manufacturer or the Seller be liable for consequential, special or indirect damages resulting from the use or handling of this product when such use and/or handling is not in strict accordance with directions given herewith. The foregoing is a condition of sale by the Seller and is accepted as such by the Buyer.
