

PREVENTS DEVELOPING MOSQUITOES FROM BECOMING BREEDING, BITING ADULTS

APPROVED FOR USE AROUND PEOPLE AND PETS

as per the label use directions

ACTIVE INGREDIENT:	
(S)-Methoprene (CAS #65733-16-6)	1.5%
OTHER INGREDIENTS:	98.5%
TOTAL	100.0%

KEEP OUT OF REACH OF CHILDREN CAUTION

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Causes moderate eye irritation. Harmful if absorbed through skin. Avoid contact with eyes or skin. Due to the size and abrasiveness of the granule, use protective eyewear and clothing to minimize exposure during application. Wash thoroughly with soap and water after handling.

FIRST AID	
If in eyes:	Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
If on skin or clothing:	Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-877-800-5556 for emergency medical treatment information.

ENVIRONMENTAL HAZARDS

Do not apply to waters that drain into public waterways.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

GENERAL DIRECTIONS: Mosquito Prevent contains (S)-Methoprene insect growth regulator which controls mosquitoes before they can become adults for up to 21 days after application.

Measure and then sprinkle the appropriate amount of Mosquito Prevent evenly over the surface of the water to be treated in order to control mosquitoes before they become breeding, biting adults. Measure the surface area of the water and follow the table for the appropriate amount of product to use. Emptying or discarding small containers that are holding water will ensure the best results. In instances where small containers cannot be emptied or discarded and for locations such as flower pots, old tires, urns, etc. use approximately 20 granules for every gallon of water.

Begin treating when adult mosquitoes are first noted in the spring and continue applications throughout the mosquito season, which is typically up to the first frost. After treatment, you may notice that there will still be live larvae in the water. Treated larvae will continue to develop normally to the pupal stage where they die.

NOTE: S-Methoprene insect growth regulator has no effect on mosquitoes which have already reached the pupal or adult stage prior to treatment.

APPLICATION RATES: 21 DAY PROTECTION			
Amount of Product	Treatment Area (surface area - less than 2 ft. deep of water)	Treatment Volume in Gallons of Water (approximate)	
1 cup	7,154 sq. ft.	26,470	
½ cup	1,788 sq. ft.	6,615	
1 tbls.	576 sq. ft.	2,131	
½ tbls.	288 sq. ft.	1,065	
1 tsp.	211 sq. ft.	780	
½ tsp.	105 sq. ft.	388	
1/4 tsp.	53 sq. ft.	196	

Do not use food utensils such as tablespoons or measuring cups for food purposes after use with insecticides.

APPLICATION SITES

Mosquito Prevent may be applied as directed above to temporary and permanent sites which support mosquito larval development. Examples of such sites include: tree holes, animal watering troughs, waterholding receptacles (e.g., old tires, urns, flower pots, cans, and other containers), containerized water gardens, ornamental, landscape and garden ponds, farm ponds, fish ponds* and other manmade waterholding depressions.

*Use in New York is only in contained sites that do not runoff to public waters.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. **Pesticide Storage:** Store closed containers of Mosquito Prevent in a cool dry place. **Pesticide Container Disposal:** Nonrefillable container. Do not reuse or refill this container. **If Empty:** Place in trash or offer for recycling if available. **If Partially Filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

WARRANTY AND CONDITIONS OF SALE: Seller makes no warranty, expressed or implied, concerning the use and handling of this product other than indicated on the label. Buyer assumes all risks of use and handling of this material when such use and handling are contrary to label instructions.
