

MULTI-SPRED

Multi-Purpose SPRAY ADJUVANT

GENERAL INFORMATION

MULTI-SPRED is a 98% active premium blend of organosilicones, methylated vegetable oil and non-ionic surfactants. It provides superior spreading, penetration and activation of herbicides, fungicides, insecticides and defoliants. Because MULTI-SPRED contains organosilicones, it offers faster, more uniform distribution of active material on the leaf surface than conventional spreaders. The vegetable oil ensures complete penetration through the waxy leaf cuticle. C

PRECAUTIONARY STATEMENTS

WARNING: Hazardous to humans and animals. Causes eye, skin, respiratory and digestive tract irritation, inhalation or ingestion may cause weakness, fatigue, headache and vomiting. When mixing or applying agricultural sprays, always wear protective spray goggles and impervious gloves plus protective clothing as recommended on pesticide labels.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Follow proper procedures for the disposal of spray solutions. Rinse and dispose of empty containers according to approved local practices.

CONDITIONS OF SALE

Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use. Weather, crop conditions, timing and methods of applications, mixture with other chemicals not specifically recommended and other influencing factors in the use of this product are beyond the control of the seller. Buyer assumes all risks of use, storage, or handling of this material not in strict accordance with directions given herewith.

PRINCIPAL FUNCTIONING AGENTS

Organosilicone, methylated vegetable oil, poly fatty acid esters, polyethyloxylated esters, non ionic surfactants.98.0%
Constituents Ineffective as a Spray
Adjuvant.....2.0%
TOTAL: 100.0%
All ingredients are exempt from tolerance levels in CFR 40, 180,1001.

KEEP OUT OF REACH OF CHILDREN WARNING

FIRST AID:

Avoid skin contact. Causes eye and skin irritations. In case of contact, wash the affected areas with water immediately and continue washing for fifteen minutes. Seek medical attention if irritation persists.

CA REG. NO. 1051080-50016

MANUFACTURED BY:
CUSTOM AG FORMULATORS, INC.

P.O. BOX 26104

FRESNO, CA 93729

DIRECTIONS FOR USE:

Preparation of Spray Material.

1. Fill spray or mix tank with 1/2 to 3/4 the desired amount of water. Start mechanical or hydraulic agitation.
2. Add the required amount of pesticide.
3. Add the required amount of MULTI-SPRED and continue agitation until a uniform mixture is obtained.
4. Add the remaining volume of water and mix contents thoroughly.

DILUTE RATES:

Ground Application: Use 3 to 5 pints of MULTI SPRED per 100 gallons of spray mix.

Aerial Application: Use 4 to 16 pints of MULTI-SPRED per 100 gallons of spray solution in combination with the recommended pesticide.

CONCENTRATED RATES:

Ground Application: Use 4 to 8 ounces of MULTI-SPRED per acre in 10 gallons of spray solution.

Aerial Application: Use 6 to 24 ounces of MULTI-SPRED per acre in 10 gallons of spray solution.

COMPATIBILITY

This product may be used with wettable powder, emulsifiable concentrate or solution formulations of most of the pesticides and insecticides now on the market.
