

New Century Oil Spreader

PRECAUTIONARY STATEMENTS:

WARNING: Hazardous to humans and animals. Causes serious eye irritation. Causes mild skin irritation. Harmful if inhaled. When mixing or apply agricultural sprays, always wear protective spray goggles and impervious gloves plus protective clothing as recommended on pesticide labels. User should wash hands before eating, drinking, chewing gum, using tobacco or using toilet. Remove clothing immediately if pesticide gets inside. Wash thoroughly after handling and put on clean clothing. Avoid breathing dust/spray. Use only outdoors in well ventilated area.

PERSONAL PROTECTIVE EQUIPMENT

Wear long sleeved shirt and long pants, impermeable or chemical resistant gloves, protective eye wear (goggles or face shield), and shoes plus socks.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. **Keep in original container. Store in cool, dry place. Keep locked up and away from children. Do not reuse empty container.** Triple rinse during mixing and loading and add rinse water to spray tank. Offer decontaminated containers for recycling or reconditioning, or puncture and dispose of in sanitary landfill. Contact county agricultural commissioner for container disposal information.

CONDITIONS OF SALE

Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use. Weather, crop conditions, timing and methods of applications, mixture with other chemicals not specifically recommended and other influencing factors in the use of this product are beyond the control of the seller. Buyer assumes all risks of use, storage, or handling of this material not in strict accordance with directions given herewith.

PRINCIPAL FUNCTIONING AGENTS:

Proprietary blend of paraffinic petroleum oil.....	83.0%

GENERAL INFORMATION

New Century OIL SPREADER is a combination of surfactants and a proprietary blend of paraffinic petroleum oil designed for use with agricultural chemical spray programs to optimize product performance by increasing penetration into the leaf surface, giving more uniform wetting and more uniform distribution of the active material. Provides improved retention of pesticide deposits under adverse weather conditions.

DIRECTIONS FOR USE

Read directions and conditions of sale. Use in strict accordance with pesticide label cautions, warnings and other directions.

CAUTION: Keep container tightly closed. Do not allow water to be introduced to contents of this container. Do not use New Century OIL SPREADER in sprays applied during periods of extreme high or low temperature and/or humid conditions. New Century OIL SPREADER should not be used with any product whose label recommends against the use of a surfactant.

COMPATIBILITY

New Century OIL SPREADER may be used with wettable powder, emulsifiable concentrate or solution formulations of most of the pesticides, insecticides and miticides now on the market.

Defoliants, Desiccants: Use 1 to 4 pints of New Century OIL SPREADER per acre in combination with the recommended defoliant or desiccant.

Insecticides & Fungicides: Use 1/2 to 2 pints of New Century OIL SPREADER per 100 gallons of spray solution in combination with the recommended fungicide.

Herbicides: Use 1 to 4 pints of New Century OIL SPREADER per acre in combination with the recommended herbicide.

NOTE: The above use recommendations are considered to be adequate for most uses. Some pesticides, however, may require higher rates for optimum effect. Follow the pesticide label directions when this occurs. However, do not add this product at a rate that exceeds 5% of the finished spray volume.

IMPORTANT READ PESTICIDE LABEL BEFORE USING THIS PRODUCT.
