

Ninety-Plus

Wetter-Spreader-Penetrant Nonionic Surfactant

GENERAL INFORMATION

Ninety-Plus is a next generation organosilicone spray adjuvant. It is a nonionic wetter, spreader, penetrating surfactant to be used with pesticides requiring an adjuvant to enhance foliage uptake. This label lists general use rates. Use local adjuvant experience to adjust rates and timing for optimum results. Use caution with sensitive crops and pesticides. Make applications during conditions favoring safe and effective results.

DIRECTIONS FOR USE

Always follow the pesticide label regarding adjuvant usage. If the label does not address adjuvant use, determine rates and timing using the general use rates on this label along with local adjuvant use experience. Making an initial test application is suggested if there is no local experience.

For use as spray adjuvant with herbicides: Use 16 ounces per 100 gallons or 1.6 ounces per acre using a 10 gallon per acre spray rate.

As an adjuvant with micronutrients or defoliants: Apply at a rate of 6 to 16 ounces per 100 gallons of spray solution.

As an adjuvant with insecticides/miticides or fungicides: Apply at a rate of 6 to 12 ounces per 100 gallons of spray solution.

For use with aerial applications: Apply at a rate of 12 to 16 ounces per 100 gallons of spray.

GENERAL MIXING INSTRUCTIONS:

Fill tank 2/3 full with clean spray quality water, begin agitation. Add wettable powders, dispersable granules, flowables, suspensions, and the EC formulation and then **Ninety-Plus**. Top off the tank. Refer to product labels and local experience for changes in standard mixing orders.

PRINCIPAL FUNCTIONING AGENTS:

Alkylphenol ethoxylate, polyethylene glycol, Polyether modified polysiloxane	90.00%
Other ingredients ineffective as a spray adjuvant	10.00%
Total	100.00%

KEEP OUT OF REACH OF CHILDREN

WARNING

Hazard Statements

Harmful if swallowed.
Causes serious eye irritation.

FIRST AID

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious or convulsing person.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 to 20 minutes. Call a poison control center or doctor for treatment advice.

PRECAUTIONARY STATEMENTS

WARNING: Causes eye irritation. Harmful if swallowed. Avoid contact with skin, eyes or clothing. Avoid breathing spray mist. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or smoking tobacco. Remove and wash contaminated clothing before reuse.

PERSONAL PROTECTIVE EQUIPMENT

Applicators and other handlers must wear: Chemical-resistant gloves, long-sleeved shirt and long pants, and shoes plus socks.

ENVIRONMENTAL HAZARDS

For terrestrial uses: Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwater or rinseate.

STORAGE AND DISPOSAL:

Do not contaminate water, food or feed by storage or disposal.

PRODUCT DISPOSAL: Wastes resulting from the use of this product must be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Triple rinse container (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler, visit the ACRC website page at www.acrecycle.org. Decontaminated containers may also be disposed in a sanitary landfill.

NOTICE: The statements made on this label are believed to be true and accurate but because of conditions of use which are beyond our control, Mar Vista Resources, LLC, does not make nor does it authorize any agent or representative to make any warranty, guarantee or representation, expressed or implied, concerning this material or the use thereof, except in conformity with the statements of the label. Neither Mar Vista Resources, LLC, nor the seller shall be held responsible in any manner for any personal injury or property damage or loss resulting to the buyer or to the other person from handling, storage or use of this material not in accordance with the directions. The buyer assumes all risk and liability resulting from improper handling, storage or use and accepts and uses this material on these conditions. This product meets E.P.A. Requirements under Title 40 CFR 180.1001 subparagraph C & D.
