Fertilizer Micro-Nutrient for Fruits, Nuts, Vegetables, Field Crops, Turf and Ornamentals

GENERAL INFORMATION

Nutex EDA is a liquid soil & foliar applied nutrient, formulated to resolve nutrient deficiencies in all crops and turf & ornamentals. Nutex EDA can be used in drip irrigation and as a foliar application. Nutex EDA is intended to supplement established fertility programs and is a readily available source of zinc.

TANK MIX COMPATABILITY

Nutex EDA is compatible with most NPK fertilizers regardless of pH. Also, it is compatible with most fertilizers that contain major, secondary, and micro nutrients. However, a standard jar test is always recommended before tank mixing.

- Prior to applying Nutex EDA in a tank mix with other agrochemicals or fertilizers, it is recommended to test the mixture on a small area before applying to the entire crop
- When tank mixed with other agricultural products, follow all label directions.

DIRECTIONS FOR USE

CROP	APP INSTRUCTIONS	RATE/APPLICATION
ALL CROPS – In-Furrow/Pop-Up	Mix with pop-up and in-furrow fertilizers that are applied directly onto the seed or in seed row.	Apply 6-8 fl oz/acre with each nutrient application
ALL CROPS/TREES – Banded / Side Dress	Mix with banded, side dressed, dribbled, strip tilled applied fertilizers.	Apply 6-8 fl oz/acre with each nutrient application
ALL CROPS/TREES – Foliar Applications	Mix with all herbicide, fungicide, and nutritional fertilizer sprays.	Apply 6-8 fl oz/acre with each nutrient application
ALL CROPS/TREES – Water Run	Mix with water run, controlled irrigation, & pivot applied liquid fertilizers. For higher rates of fertilizer per acre (>50gpa) apply the higher rate of Nutex EDA.	Apply 6-10 fl oz/acre with each nutrient application

The product may not be applied near water; storm drains or drainage ditches or to any impervious surface. The product may not be applied if heavy rain is expected. The product may only be applied to the intended application site. For turf; material that lands on an impervious surface must be swept back onto the turf.
