

## GUARANTEED ANALYSIS

Magnesium (Mg)..... 5.00%

Derived from Magnesium Acetate.

F2544

## GENERAL INFORMATION

NUTRALIS MAGNESIUM is formulated primarily for foliar application to prevent or correct magnesium deficiencies in a wide range of agronomic crops. Application of this product is a means to obtaining a quick response to needed magnesium. Foliar application may be particularly beneficial during periods of peak nutrient demand, for crops grown on soils having poor nutrient availability, or for crops suffering from weakened root systems.

It should be used as part of a comprehensive Total Nutrition System® for optimizing soil/nutrient conditions for plant growth, development, yield and quality.

## DIRECTIONS FOR USE

NUTRALIS MAGNESIUM may be applied as a foliar spray by air, ground or sprinkler. Maintain agitation to provide uniform distribution within the spray tank. Thorough and even spray coverage is essential for maximum nutrient uptake and crop safety. Use of a high-quality Wilbur-Ellis adjuvant at recommended rates is usually advised for optimizing product performance. Do not apply when plants are under excessive heat or moisture stress. Application of foliar nutrients to leafy vegetables or soft-skinned fruits during periods of excessive temperatures may cause cosmetic injury.

Apply the recommended amount of this product with a minimum of 20 gallons of water per acre (conventional sprayers) or 5 gallons of water per acre (concentrate or aerial). If less water is used, a slight burn of the foliage may occur. Rates of application and timing of treatment should be based on crop nutrient demand, prevailing environmental conditions, plant tissue analysis data, or other indications of a need for fast-acting, supplemental magnesium. Consult your Wilbur-Ellis representative for rates specific to your crops and conditions.

**BERRIES AND GRAPES:** Apply 1-2 quarts per acre pre-bloom and repeat every 2-4 weeks as needed.

**FIELD AND ROW CROPS:** Apply 1-3 quarts per acre and repeat as needed.

**FORAGE CROPS:** Apply 1-2 quarts per acre after early spring growth and repeat as needed after each cutting.

**GRASS SEED:** Apply 1-4 pints per acre as needed.

**TREE FRUIT AND NUTS:** Apply 1-3 quarts per acre starting 10-14 days after bloom and repeat as needed.

**VEGETABLES:** Apply 1-2 quarts per acre per week in a normal spray program.

**COMPATIBILITY:** NUTRALIS MAGNESIUM is compatible with many co-applied nutrient sources as well as plant protection products. Always jar test new combinations for compatibility prior to field mixing.

## PRECAUTIONARY STATEMENTS

### KEEP OUT OF REACH OF CHILDREN

Based on currently available data, this product is not classified as a GHS hazardous substance. However, observe good industrial hygiene practices. Wash hands after handling. Refer to the Safety Data Sheet if first aid instructions are needed.

### STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage, disposal or cleaning of equipment. Store in original container only and keep tightly sealed when not in use. Store away from incompatible materials. Dispose of contents/container in accordance with federal, state and local regulations.

Information regarding the contents and levels of metals in this product is available on the Internet at <https://www.aapfco.org/metals.html>

## CONDITIONS OF SALE AND LIMITATION OF WARRANTY AND LIABILITY

NOTICE: Read the entire Directions for Use and Conditions of Sale and Limitation of Warranty and Liability before buying or using the product. If the terms are not acceptable, return the product at once, unopened, and the purchase price will be refunded.

The Directions for Use of the product should be followed carefully. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of many different factors including, without limitation, manner of use or application, weather, combination with other products, or crop conditions. All such risks shall be assumed by Buyer and User, and Buyer and User agree to hold Manufacturer and Seller harmless from any claims relating to such factors.

**Seller warrants that this product conforms to the chemical description on the label. EXCEPT FOR THIS WARRANTY, THE PRODUCT IS FURNISHED "AS-IS," AND NEITHER SELLER NOR MANUFACTURER MAKES ANY OTHER WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THE SELECTION, PURCHASE OR USE OF THIS PRODUCT; SELLER AND MANUFACTURER SPECIFICALLY DISCLAIM ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Buyer and User accept all risks arising from any use of this product, including without limitation uses contrary to label instructions, under abnormal conditions, or under conditions not reasonably foreseeable to (or beyond the control of) Seller or Manufacturer.**

To the extent permitted by law, neither Manufacturer nor Seller shall be liable for any incidental, consequential or special damages resulting from the use or handling of this product. THE EXCLUSIVE REMEDY OF THE BUYER OR USER, AND THE EXCLUSIVE LIABILITY OF MANUFACTURER AND SELLER, FOR ANY AND ALL CLAIMS, LOSSES, INJURIES OR DAMAGES (INCLUDING CLAIMS BASED ON BREACH OF WARRANTY, CONTRACT, NEGLIGENCE, TORT, STRICT LIABILITY OR OTHERWISE) RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, SHALL BE THE RETURN OF THE PURCHASE PRICE OF THIS PRODUCT, OR, AT THE ELECTION OF MANUFACTURER OR SELLER, THE REPLACEMENT OF THE PRODUCT.

These Conditions of Sale and Limitation of Warranty and Liability shall be interpreted in accordance with the laws of the State of California, excluding its conflicts of laws rules, and may not be amended by any oral or written agreement.
