PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING

BEFORE USING THIS PRODUCT, READ ALL PRECAUTIONS, DIRECTIONS FOR USE, CONDITIONS OF SALE-LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES.

May be harmful if swallowed. May be harmful in contact with skin. Causes serious eye irritation. Causes skin irritation. May be harmful if inhaled. Keep product locked up and out of the reach of children. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or smoking tobacco. Remove and wash contaminated clothing before reuse. Do not take internally. Avoid contact with or inhalation of spray application mist if present. Do not apply this product in such a manner as to directly expose workers or other persons. If product is being mixed with pesticides and/or spray adjuvants, follow all precautionary statements on the accompanying product(s) labeling. Not for human or animal consumption. Personal Protective Equipment (PPE): Wear protective eyewear (goggles or face shield), chemical-resistant gloves, long-sleeved shirt and long pants, and shoes plus socks when using this product. Take off any contaminated clothing and wash before reuse.

FIRST AID

IF IN EYES:	<ul style="list-style-type: none"> Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Call a poison control center or doctor for treatment advice.
IF SWALLOWED:	<ul style="list-style-type: none"> Call a POISON CENTER or doctor immediately. Rinse mouth. Do NOT induce vomiting. Do not give anything by mouth to an unconscious person. Immediately call a POISON CENTER or doctor.
IF INHALED:	<ul style="list-style-type: none"> Move person to fresh air and keep at rest in a position comfortable for breathing if they feel unwell. If not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible.

	<ul style="list-style-type: none"> Call a POISON CENTER or doctor for treatment advice.
IF ON SKIN OR HAIR:	<ul style="list-style-type: none"> Take off immediately all contaminated clothing. Rinse skin with water or shower. Get medical attention if irritation develops or persists. Wash contaminated clothing before reuse.
HOT LINE NUMBER	
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-424-9300 for emergency medical treatment information.	

STORAGE AND DISPOSAL

Store in original container only. Keep packages tightly closed and do not allow water to be introduced to container contents. Do not store near heat or open flame. This product may freeze at temperatures less than 10°F. Thawing occurs readily at temperatures greater than 32°F.

Container Disposal: Empty packaging should be offered for recycling or disposal in accordance with Federal, State and local authorities. If packaging is burned, stay out of smoke. For help in chemical emergencies involving spill, leak, fire or exposure, call toll free 1-800-424-9300.

GENERAL INFORMATION

NutraAsyst® Concentrate is a fulvic acid based fertilizer additive that is designed to improve fertilizer application and compatibility.

NutraAsyst® Concentrate can be applied to all crops including: vegetable crops, row crops, field crops, trees, nut trees, vines, ornamentals, lawns, and garden landscaping. NutraAsyst® Concentrate can be mixed with most liquid fertilizers and plant nutritional products.

NutraAsyst® Concentrate can also be applied with fertilizer mixtures that contain insecticides, herbicides, plant growth regulators, and fungicides.

NutraAsyst® Concentrate can be applied with all transplant solutions, dips and all watering solutions. It can be applied to all soil types and pH ranges.

SUGGESTED DIRECTIONS

FOLIAR APPLIED vegetable crops, row crops, field crops, feed crops, trees, nut trees, vines, ornamentals, lawns, gardens and landscaping): NutraAsyst® Concentrate may be applied at up to 12.8 ozs. per acre, per application. Apply at least 1.6 ozs. per acre in all foliar applications. Use higher rates as spray volume increases. NutraAsyst® Concentrate can be added to all foliar sprays. If sprayed without mixing with other nutrients, dilute in at least 10 gallons of water.

TRANSPLANTING OR CUTTING: Mix 3.2 ozs. of NutraAsyst® Concentrate per 20 gallons of solution.

TURFGRASS APPLICATIONS: Include with all foliar nutrient applications at 6.4 ozs./acre in 40 to 60 GPA. Use alone, before, during or after stress periods at 3.2 to 6.4 fluid ounces per acre. CAUTION: SPRAY MIX COMBINATIONS WITH SELECTIVE AND PRE-EMERGENT HERBICIDES ARE NOT RECOMMENDED.

TREES, SHRUBS, WOODY ORNAMENTALS AND BEDDING PLANTS: Include with all foliar nutrient applications at 6.4 ounces per 100 gallons of spray volume. Use alone, before, during or after stress periods at 12.8 ounces per 100 gallons of spray volume. CAUTION: SPRAY MIX COMBINATIONS WITH SELECTIVE AND PRE-EMERGENT HERBICIDES ARE NOT RECOMMENDED.

ORNAMENTALS: Broadcast spray or inject into irrigation 12.8 fluid ounces per acre 1 to 3 times during the season. Application is targeted at the soil but foliar contact is not detrimental. Mix with deep root injections at 6.4 ounces per 10 gallons of spray solution.

APPLICATION WITH LIQUID FERTILIZERS: Use at the rate of 1.6 ozs. to 12.8 ozs. per acre with liquid fertilizers or with starter/pop up fertilizers. Always jar test for compatibility.

CONDITIONS OF SALE-LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES

Read the Conditions of Sale-Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded.

This label is believed to be reliable and must be followed carefully. Injury to the crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of Helena Chemical Company (the "Company") or seller. In addition, failure to follow label directions may cause injury to crops, animals, man or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind, express or implied, concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law.

Disclaimer: Always refer to the label on the product before using Helena or any other product.

The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at Helena Chemical Company's election, one of the following:

1. Refund of the purchase price paid by buyer or user for product bought, or
2. Replacement of the product used

To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company and the seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
