PRECAUTIONARY STATEMENTS

CAUTION

BEFORE USING THIS PRODUCT, READ ALL PRECAUTIONS, DIRECTIONS FOR USE, CONDITIONS OF SALE-LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES. May cause eye irritation. Avoid breathing of spray mist. Avoid contact with skin, eyes, and clothing. Do not apply this product in such a manner as to directly expose workers or other persons. In addition, follow precautionary statements on accompanying pesticide label(s).

WHAT TO DO IN CASE OF CONTACT:

IF INHALED: Move to fresh air. If irritation persists, seek medical attention. **IF SWALLOWED:** Give a large amount of water to drink. Get medical attention. Do not induce vomiting unless instructed to do so by a doctor. **IF IN EYES:** Immediately flush eyes with water, continuing for at least 15 minutes. If irritation develops, get medical attention. **IF ON SKIN:** Remove contaminated clothing. Wash affected area with soap and water. Get medical attention if irritation develops or persists. If contact is made with a spray solution containing pesticides, follow the "Statement of Practical Treatment/First Aid" on the pesticide label(s).

STORAGE AND DISPOSAL

Store in original container only. Keep packages tightly closed and do not allow water to be introduced into container contents. Do not store this product near heat or open flame. This product will freeze at temperatures less than 30°F. Thawing occurs readily at temperatures greater than 32°F.

Container Disposal: Empty packaging should be offered for recycling or disposal in accordance with Federal, State and Local authorities. If packaging is burned, stay out of smoke. For help in chemical emergencies involving spill, leak, fire or exposure, call toll free 1-800-424-9300.

GENERAL INFORMATION

NUTRI-LINK HP STARTER 8-27-0 is a plant nutrient solution that is combined with proprietary fertilizer additives (polycarboxylic and polyhydroxy acid blends). When used in conjunction with sound fertility practices, **NUTRI-LINK HP STARTER 8-27-0** improves quality and production for a wide range of agricultural practices.

SPRAY MIX COMPATIBILITY

Applications of **NUTRI-LINK HP STARTER 8-27-0** with pesticides are possible, provided that good agitation of the spray mix is maintained. Always check compatibility prior to mixing and apply the spray mix as soon as possible. Follow the mixing sequence below:

1. Water 2. **NUTRI-LINK HP STARTER 8-27-0** 3. Pesticides.

NUTRI-LINK HP STARTER 8-27-0 is compatible with most liquid fertilizer/pesticide spray mixes at manufacturers specified label rates. However, it is recommended that a "jar test" be performed prior to actual application. In the event of fertilizer/pesticide compatibility problems, the addition of a stabilizing/compatibility agent is recommended. Follow the mixing sequence below:

1. Water 2. Fertilizer 3. **NUTRI-LINK HP STARTER 8-27-0**. 4. Approved compatibility agent (if needed according to jar test) 5. Pesticides.

Information about the components of this lot of fertilizer may be obtained by writing to Helena Chemical Company, 225 Schilling Boulevard, Suite 300, Collierville, TN 38017 and giving the lot number which is found on the container.

SOIL APPLICATIONS ONLY

For starter applications that are applied in-furrow or banded and broadcast through conventional equipment, use **NUTRI-LINK HP STARTER 8-27-0** at the rate of 3-5 gallons per acre. Best results are obtained when **NUTRI-LINK HP STARTER 8-27-0** is incorporated, injected, or applied alone in a zone or band in the soil or with fertilizer at a minimum depth of two (2) to four (4) inches. Use in accordance with recommendations of a qualified individual or institution, such as, but not limited to, a certified crop advisor, agronomist, university crop extension publication, or apply according to recommendations in your approved nutrient management plan. Consult your local Helena Chemical Company representative for further information.

CONDITIONS OF SALE - LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES

Read the Conditions of Sale - Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded.

This label is believed to be reliable and should be followed carefully. Injury to the crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of Helena Chemical Company (the "Company") or seller. In addition, failure to follow label directions may cause injury to crops, animals, man or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind, express or implied, concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law. The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at Helena Chemical Company's election, one of the following:

1. Refund of the purchase price paid by buyer or user for product bought, or
2. Replacement of the product used.

To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company and the seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
