

ORANJ-ALL

d-LIMONENE SURFACTANT SPREADER • ACTIVATOR

PRINCIPAL FUNCTIONING AGENTS:

Paraffinic hydrocarbons, d-Limonene and Polyoxyethylene glycols..... 100%

TOTAL: 100%

CA Reg. No. 34704-50087

**KEEP OUT OF REACH OF CHILDREN
CAUTION**

NET CONTENTS: 1 U.S. GALLON (3.785 L)

Manufactured for:

Loveland
PRODUCTS

Loveland Products, Inc. • PO Box 1286 • Greeley, CO 80632

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if swallowed, absorbed through skin or inhaled. Avoid breathing vapor or spray mist. Remove contaminated clothing before reuse. Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling. **Personal Protective Equipment:** Wear Long-sleeved shirt and long pants, socks, shoes and gloves.

First Aid: If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 to 20 minutes. If in eyes: Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. If swallowed: Call a poison control center or doctor immediately for treatment advice. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person. If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.

FOR A MEDICAL EMERGENCY INVOLVING THIS PRODUCT CALL 1-866-944-8565.

ENVIRONMENTAL HAZARDS

Do not contaminate water when cleaning equipment or disposing of equipment washwaters.

DIRECTIONS FOR USE

ORANJ-ALL (d-limonene surfactant) is a spreader / activator formulated with a citrus extract to enhance the efficacy of insecticides, herbicides, defoliants, desiccants and fertilizers.

ORANJ-ALL may be used on agricultural, forestry, turf and ornamental, industrial and non-cropland sites.

NOT FOR AQUATIC USE IN WASHINGTON.

Read and follow the precautions, restrictions and recommendations on the labels of pesticides used with **ORANJ-ALL**. Use according to the most restrictive label directions for each product in any tank mix. **COMPATIBILITY:** **ORANJ-ALL** is compatible with most pesticides. However, if the desired combination has not been previously used, a compatibility test is recommended.

MIXING: Shake well before using. Fill spray tank 1/2 full of water and begin agitation. Add recommended amount of **ORANJ-ALL**. Add products as directed by label or in the following sequence and continue filling tank: (1) Dry flowables or water dispersible granules, (2) Wettable powders, (3) Flowables, (4) Solutions, (5) Emulsifiable concentrates. Continue agitation until spray solution is completely mixed. Continuous agitation of finished spray is recommended. If spray solution has been allowed to stand, thoroughly agitate and remix before application.

RECOMMENDATIONS: Specific use rates will vary with conditions of application such as water hardness, application method, equipment, spray droplet size, condition of foliage, etc. Also, higher rates than those below may be used if recommended by pesticide labeling. Follow pesticide label directions. However, do not add this product at a rate which exceeds 2% of the finished spray volume. **AIR or GROUND:** Use 1.0 to 4.0 quarts per 100 gallons of finished spray solution. For improved efficacy, use at least 1 pint per acre when finished spray volume is less than 20 gallons per acre. For handheld and backpack sprayers use 1/2 fluid ounce per gallon of water.

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry place. Store in original container. Keep container tightly closed. Do not reuse empty container.

DISPOSAL: Do not contaminate water, food or feed by storage or disposal. Wastes may be disposed of on-site or at an approved waste disposal facility. Triple rinse (or equivalent) adding rinse water to spray tank. Offer container for recycling or dispose of container in sanitary landfill, or by other procedures approved by appropriate authorities. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler, visit the ACRC web page at www.acrcycle.org.
