GRADE 7-20-3**

Total Nitrogen (N).....	7.00%
7.0% Ammoniacal Nitrogen	
Available Phosphate (P ₂ O ₅)	20.00%
Soluble Potash (K ₂ O)	3.00%
Copper (Cu)	0.07%
0.07% Chelated Copper	
Iron (Fe)	0.20%
0.20% Chelated Iron	
Manganese (Mn)	0.05%
0.05% Chelated Manganese	
Zinc (Zn)	0.70%
0.70% Chelated Zinc	

Derived from: Urea Ammonium Nitrate, Ammonium Polyphosphate, Potassium Hydroxide, Copper EDTA, Iron EDTA, Manganese EDTA, Phosphoric Acid, & Zinc EDTA. EDTA is ethylenediaminetetraacetic acid.

**KEEP OUT OF REACH OF CHILDREN
CAUTION**

GENERAL INFORMATION

P Max Plus is a blend of macro & micronutrients designed for use as an in-furrow 'starter' fertilizer.
P Max Plus may be used in any agricultural cropping system.
P Max Plus is intended to be used as a supplement to a standard fertility program and alone will not provide all the necessary nutrition to optimize yields.
P Max Plus has a low-salt content for seed safety concerns. **P Max Plus** is most effective when used alone. However, if mixed with other fertilizers, the individual making the mix is responsible for the seed safety of the mix.

A jar test should be performed prior to mixing **P Max Plus** with any other fertilizer blend. Mix appropriate ratios of fertilizer to be added to **P Max Plus** in small quantities. Observe mixture for a 24 hour period, prior to mixing large quantities, to insure compatibility.

APPLICATION RECOMMENDATIONS

Soil Applications
 At-Planting/In-Furrow:
 Apply 2 - 4 gallons/acre in furrow while planting.

HANDLING INSTRUCTIONS

For storage and handling: Poly, mild steel or stainless steel containers can be used for **P Max Plus** storage. If transferring from one container to another, agitation of product is recommended.

Weight Per Gallon = 10.9 lbs./gallon

NET CONTENTS (GAL): _____

NET WEIGHT: _____

STORAGE & DISPOSAL

Store product in original container. Do not store near heat or open flame. Do not reuse container. Do not contaminate water, food or feed by storage or disposal. Keep packaging closed, securely fastened and upright. Store in clean, dedicated tanks.

Triple rinse (or equivalent) prior to disposal. Add rinsate to tank. Offer container for recycling or dispose of properly according to state and local authorities. If burned, stay out of smoke.

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION**

May be harmful if swallowed, inhaled or absorbed through skin. May cause eye and skin irritation. Avoid contact with eyes, skin and clothing. Avoid contact with open cuts or sores. Avoid breathing vapors. Use with adequate ventilation. Eye protection and gloves are suggested when handling undiluted product. Wash thoroughly after handling and using this product. In case of contact, flush with water. Get medical attention for eyes. Product users should avoid prolonged or repeated skin contact by wearing impervious gloves, long sleeve shirt, long pants, socks and rubber boots. Splash-proof safety goggles for eye protection are recommended.

FIRST AID

IF SWALLOWED:

- Drink plenty of water if conscious. Call a physician or poison control center immediately for advice on inducing vomiting. Do not induce vomiting or give anything by mouth to an unconscious person.

IF IN EYES:

- Immediately flush eyes with plenty of water. Continue flushing for at least 15 minutes and call a physician if irritation persists.

IF ON SKIN:

- Flush affected skin with water. Remove all contaminated clothing. Launder clothing before reuse.

IF INHALED:

- Remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give oxygen and call a physician.

NOTICE – READ CAREFULLY

Condition of Sale – Rosen's, Inc. (and seller) offer(s) this product for sale subject to and buyer and all users are deemed to have accepted the following conditions of sale and warranty.

Warranty Limitation – Rosen's, Inc. warrants that this product conforms to the chemical description on the label subject to the inherent risks referred to below. Rosen's, Inc. makes no other express warranties, which extend beyond the description on the label hereof. **THERE IS NO WARRANTY OF MERCHANTABILITY** and there are no warranties, which extend beyond the description on the label hereof.

Inherent Risks – The directions for use of this product are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks associated with use. Buyer assumes all risks associated with use of this product contrary to label directions or resulting from extraordinary conditions.

Limitation of Liability – In no case shall Rosen's, Inc. be liable for special, indirect or consequential damages resulting from the use or handling of this product and no claim of any kind shall be greater in amount than the purchase price of the product in respect of which damages may be claimed.
