DESCRIPTION

PERFECTION QUARTER HORSE is designed as an early spring fertilizer but is versatile enough for use any time a blend with fully available nutrients is needed. It contains no slow-release nitrogen, making it ideal for situations requiring immediate nutrient availability.

BENEFITS

- Formulated for use in regions with phosphorus restrictions.
- All available nitrogen is in a soluble form, providing quick green-up and rapid turf response.
- Includes 14% sulfur to support soils that may benefit from additional sulfur.
- 3% iron promotes initial greening without causing surge growth.

DIRECTIONS FOR USE

APPLICATION INSTRUCTIONS

- For professional use on residential and commercial landscapes, golf courses, athletic fields, parks, nurseries and sod farms.
- For best performance, apply to dry turfgrass and water after application.
- Do not apply directly to an impervious surface or to frozen ground.
- Keep away from pools, ponds and any bodies of water. Do not contaminate potable water.
- This product contains iron, which may cause staining. Keep off unwanted areas such as sidewalks, patios, fences, and painted areas. Sweep or blow any residual material on to treated areas after application.
