

CROP OIL CONCENTRATE™

PRINCIPAL FUNCTIONING AGENTS

Paraffinic petroleum oil, tall oil fatty acids, alkylphenol ethoxylates...99.0%
 Constituents Ineffective as spray adjuvant..... 1.0%
 TOTAL..... 100.0%

*Petroleum Oil-Surfactant Adjuvant
 Fertilizer Compatible*

All ingredients are exempt from the requirement of a tolerance under 40 CFR 180

**KEEP OUT OF REACH OF CHILDREN
 WARNING**

HAZARD STATEMENTS

Causes mild skin irritation. Causes eye irritation.

PRECAUTIONARY STATEMENTS

Wash thoroughly after handling. Wear protective gloves/eye/face protection. Avoid breathing fumes/mist/vapor/spray.

FIRST AID MEASURES

Note to physician: Contains petroleum distillate. Vomiting may cause aspiration pneumonia. **Inhalation:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice. **If Swallowed:** Immediately call a poison control center or doctor. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person. **If On Skin Or Clothing:** Wash with plenty of soap and water. Rinse skin immediately with plenty of water for 15-20 minutes. Take off contaminated clothing and wash before reuse. Call a poison control center or doctor for treatment advice. **Eye Contact:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses if present and easy to do, continue rinsing. Call a poison control center or doctor for treatment advice.

ENVIRONMENTAL HAZARDS

Not for use on aquatic sites. Do not contaminate water sources by cleaning of equipment or disposal of wastewaters.

CA Reg. No. 7001-50541
 WA Reg. No. 7001-14004

NET CONTENTS:

2.5 Gallons (9.463 Liters)
 2 x 2.5 Gallons (18.92 Liters)

***pht* CROP OIL CONCENTRATE**

DIRECTIONS FOR USE

Read and follow all accompanying tank mix product labels prior to application. PHT Crop Oil Concentrate may be applied by ground, aerial or CDA equipment. Consult the accompanying pesticide label regarding specific adjuvant use recommendations. Do not add PHT Crop Oil Concentrate at a rate to exceed 5% of the finished spray volume. For tank mix compatibility concerns, conduct a jar test of the proposed mixture to ensure compatibility of all components. Mix components at the same ratio as the proposed tank mix.

Not for use on aquatic sites.

USE RATES

Air: 1 to 3 pints in 2 to 15 gallons of water

Ground: 1 to 8 pints in 10 to 100 gallons of water

NOTE: The above use recommendations are considered to be adequate for most uses. Some pesticides, however, may require higher rates for optimum effect. Follow the pesticide label directions when this occurs.

GENERAL INFORMATION

PHT Crop Oil Concentrate Oil-Surfactant Adjuvant is a high performance, multi component formula designed for use with a broad range of pesticides where an oil concentrate adjuvant is recommended.

PHT Crop Oil Concentrate is fertilizer compatible and can be tank mixed with a wide range of fertilizer and micronutrient products.

Use PHT Crop Oil Concentrate with pesticides and/or fertilizer products to improve spray application by modifying the wetting and deposition characteristics of the spray solution resulting in a more even and uniform spray deposit.

PHT Crop Oil Concentrate increases the effectiveness of the spray mixture therefore it is recommended that a small test area be treated prior to conducting large scale applications.

MIXING

1. Fill spray tank 1/2 with water;
2. Add the desired amount of herbicide and/or fertilizer;
3. Continue filling with water;
4. Lastly, add PHT Crop Oil Concentrate;
5. Continue agitation.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal of this product.

Storage: Do not store below 32°F or above 120°F. Store at ambient temperature. Store in a closed container.

Disposal: Do not reuse empty container. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operate the national recycling program. To contact your state and local ACRC recycler visit www.acrecycle.org. Dispose of contents/container in accordance with local/national regulations.

DISCLAIMER OF WARRANTIES

Seller warrants that the chemical composition of this product conforms to the chemical description given on this label. This warranty is expressly in lieu of all other warranties and representations expressed, implied, or statutory, including warranties of merchantability and fitness for a particular use. Timing, rate and method of application, weather and crop conditions, mixtures with chemicals not specifically recommended on this label or an accompanying written recommendation are beyond the control of seller. Buyer assumes all risks of use, storage and handling of this material not in strict accordance with directions given herewith. Buyer further agrees in the event of damages arising from the use of this product to accept a replacement of the product or a refund of the purchase price of the product, at buyer's option, as full discharge of seller's liability. No one is authorized to make any other warranty, guarantee or directions concerning this product, and no such warranties, guarantees or directions shall be valid or binding upon seller.
