

7-0-0 Plant Nutrient for Fruits, Nuts, Vegetables, Field Crops, and Turf and Ornamentals

GUARANTEED ANALYSIS

Total Nitrogen (N)7%
 4% Other Water Soluble Nitrogen
 3% Ammoniacal Nitrogen
 Derived from: Microbial fermentation byproduct & ammonium sulfate

KEEP OUT OF REACH OF CHILDREN

CAUTION

Harmful if swallowed. Avoid inhalation of spray mist. May cause irritation of nose, throat, or skin. Avoid contact with eyes, skin, and clothing. In case of contact with skin or eyes, flush affected area with water; for eyes seek medical attention.

GENERAL INFORMATION

Potente is a liquid fertilizer formulated to promote the vigor of fruits, nuts, vegetables, field crops, and turf and ornamentals. Potente can be used in drip irrigation and as a foliar application. Potente is intended to supplement established fertilizer programs and is a readily available source of nitrogen.

Information regarding the contents and levels of metals in this product is available on the internet at <http://www.aapfco.org/metals.html>

The product may not be applied near water; storm drains or drainage ditches or to any impervious surface. The product may not be applied if heavy rain is expected. The product may only be applied to the intended application site. For turf; material that lands on an impervious surface must be swept back onto the turf.

**BEFORE USING THIS PRODUCT, READ ALL
 PRECAUTIONARY STATEMENTS, DIRECTIONS
 FOR USE AND WARRANTY AND LIMITATION
 OF DAMAGES CONDITIONS OF SALE.**

DIRECTIONS FOR USE

Impregnation: Potente can be sparged/impregnated onto dry granular fertilizers. Ensure proper blending time to provide uniform and adequate coverage. Can be applied at 1-3 gallons per ton – depending on dry granular material being used.

Foliar Application: Apply 1-6 pints/acre alone or tank mixed with foliar nutrition/fungicide/herbicide products.

In-Furrow/Starter Fertilizers: Apply 1-3 pints/acre with starter fertilizers.

STORAGE

Store POTENTE in its original container. Do not store below 32°F or above 104°F. When stored under normal storage conditions this product will keep its physical and chemical properties for 3 years.

WARRANTY AND LIMITATION OF DAMAGES

CONDITIONS OF SALE: To the extent consistent with applicable law, Sipcarn Agro USA, Inc. warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated on the label when used in accordance with the directions under normal conditions of use. This warranty does not extend to the use of this product contrary to label instructions, or under abnormal use conditions, or under conditions not reasonably foreseeable to Sipcarn Agro USA, Inc. Sipcarn Agro USA, Inc. disclaims all other warranties, express or implied. To the extent consistent with applicable law, Sipcarn Agro USA, Inc. shall not be liable for consequential, special, or indirect damages resulting from the use or handling of this product, and Sipcarn Agro USA, Inc.'s sole liability and Buyer's and User's exclusive remedy shall be limited to the refund of the purchase price. To the extent consistent with applicable law, Buyer and User acknowledge and assume all risks and liability resulting from the handling, storage, and use of this product. Sipcarn Agro USA, Inc. does not authorize any agent or representative to make any other warranty, guarantee or representation concerning this product.
