

Premium SB

Guaranteed Analysis

Zinc (Zn)..... **0.05%**

Derived from: Zinc Sulfate

GENERAL INFORMATION

Premium SB is a "Plant Extract Tea". Rather than using compost or animal wastes, BioGro has taken live plants and specific plant parts and "steeped" them in various media solutions. The resulting solutions are allowed to ferment under controlled conditions and stabilize.

Premium Plant Extract Products actually have a long shelf life and can be stored under proper conditions for 1-2 years. Premium Plant Extract Products do not smell "rotten" and should not be used if they do.

When applying Premium SB to crops, a soil deficiency must be first documented by testing.

This product is intended for use according to an approved organic system plan. This product qualifies under 7 CFR 205 for use in organic crop production.

DIRECTIONS FOR USE

Mixing Directions - Be sure spray tank is thoroughly cleaned, fill 1/3 full with clean water, add product and continue filling with agitation.

Compatibility - Premium Plant Extract Products are compatible with most fertilizers and bioproducts. Consult your Bio-Gro dealer for more information.

Storage and Disposal - Store in original containers at temperatures **above freezing**. Dispose waste at approved disposal facility. To dispose of containers, triple rinse and dispose according to local and state regulations.

SUGGESTED APPLICATIONS

Optimum rate of application will vary between fields depending on soil and/or climatic conditions, stage of crop growth and size of plants. The best timing is at planting or when a root flush is occurring. Consult your BioGro dealer for specific recommendations.

All Field & Vegetable Crops - Apply 1-5 gallons per acre at planting. Water run 1-5 gallons per acre during germination. Water run 1-5 gallons per acre with applied fertilizers during growing season. - Apply 2-5 gallons per acre in spring and fall during root flush.

Head Lettuce - Apply no more than 1/2 gallon per acre prior to rosette stage.

CONDITIONS OF SALE

Seller and/or manufacturer warrants only that this product consists of the ingredients specified on this label. No one is hereby authorized to make any warranty and/or guarantee concerning the use of this product. Being that the use, timing, placement, rate, application and other conditions are beyond the control of the seller and/or manufacturer, the seller's and/or manufacturer's liability for handling, storage and use of this product is limited to replacement of product or refund of purchase price.
