## GENERAL INFORMATION

ProNatural® VerdeMax™ is designed for foliar applications to prevent or correct trace element deficiencies that may limit crop growth and yields. This proprietary water soluble formulation is readily available to the plant because of the natural complexing properties of amino acids. It is intended for foliar applications and is non-toxic to plants when applied as directed. This product improves nutrient uptake and utilization when included in a regular spray program.

## DIRECTIONS FOR USE

### SHAKE WELL BEFORE USING. KEEP FROM FREEZING.

ProNatural VerdeMax may be used on deciduous fruit, vine crops, nut crops, hops, cane berries, blueberries, legumes, grain crops, root crops, cucurbits, cole crops, leafy vegetables, woody and herbaceous ornamentals, tropical and subtropical fruit, and many other crops.

Apply with an adequate amount of water that will provide complete coverage. At a minimum, dilute one part ProNatural VerdeMax with 20 parts water. Use of a nonionic wetting agent may improve spray coverage of certain hard-to-wet plants. Do not apply undiluted.

The rate of application will depend on the crop, stage of growth, and severity of deficiency. The maximum recommended rates are for mature, full-sized plants. Reduce the rates proportionately when spraying smaller plants.

GENERAL USE: Apply 1-4 quarts per acre as needed.

APPLES: Apply 2 quarts per acre pre-bloom, 2 quarts per acre post-bloom, and another 2 quarts per acre every 7-10 days as needed.

PEARS: Apply 1.5 quarts per acre pre-bloom, 1.5 quarts per acre post-bloom, and another 1.5 quarts per acre every 10 days for an additional 4 applications.

CHERRIES: Apply 2 quarts per acre as needed.

**CAUTION:** Not fully chelated. Avoid mixing with products containing calcium chloride.

## COMPATIBILITY

Consult with your local ag representative on compatibility with other spray materials. Always jar test new combinations for compatibility prior to field mixing.

## PRECAUTIONARY STATEMENTS

### KEEP OUT OF REACH OF CHILDREN

Based on currently available data, this product is not classified as a GHS hazardous substance. However, observe good industrial hygiene practices. Wash hands after handling. Refer to the Safety Data Sheet if first aid instructions are needed.

**STORAGE AND DISPOSAL:** Do not contaminate water, food or feed by storage, disposal or cleaning of equipment. Store in original container only and keep tightly sealed when not in use. Store away from incompatible materials. Dispose of contents/container in accordance with federal, state and local regulations.

Information regarding the contents and levels of metals in this product is available on the Internet at <http://www.aapfco.org/metals.html>

## CONDITIONS OF SALE AND LIMITATION OF WARRANTY AND LIABILITY

NOTICE: Read the entire Directions for Use and Conditions of Sale and Limitation of Warranty and Liability before buying or using the product. If the terms are not acceptable, return the product at once, unopened, and the purchase price will be refunded.

The Directions for Use of the product should be followed carefully. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of many different factors including, without limitation, manner of use or application, weather, combination with other products, or crop conditions. All such risks shall be assumed by Buyer and User, and Buyer and User agree to hold Manufacturer and Seller harmless from any claims relating to such factors.

Seller warrants that this product conforms to the chemical description on the label. EXCEPT FOR THIS WARRANTY, THE PRODUCT IS FURNISHED "AS-IS," AND NEITHER SELLER NOR MANUFACTURER MAKES ANY OTHER WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THE SELECTION, PURCHASE OR USE OF THIS PRODUCT; SELLER AND MANUFACTURER SPECIFICALLY DISCLAIM ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Buyer and User accept all risks arising from any use of this product, including without limitation uses contrary to label instructions, under abnormal conditions, or under conditions not reasonably foreseeable to (or beyond the control of) Seller or Manufacturer.

To the extent permitted by law, neither Manufacturer nor Seller shall be liable for any incidental, consequential or special damages resulting from the use or handling of this product. THE EXCLUSIVE REMEDY OF THE BUYER OR USER, AND THE EXCLUSIVE LIABILITY OF MANUFACTURER AND SELLER, FOR ANY AND ALL CLAIMS, LOSSES, INJURIES OR DAMAGES (INCLUDING CLAIMS BASED ON BREACH OF WARRANTY, CONTRACT, NEGLIGENCE, TORT, STRICT LIABILITY OR OTHERWISE) RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, SHALL BE THE RETURN OF THE PURCHASE PRICE OF THIS PRODUCT, OR, AT THE ELECTION OF MANUFACTURER OR SELLER, THE REPLACEMENT OF THE PRODUCT.

These Conditions of Sale and Limitation of Warranty and Liability shall be interpreted in accordance with the laws of the State of California, excluding its conflicts of laws rules, and may not be amended by any oral or written agreement.
