CHELATED MICRONUTRIENTS, ALPHA-KETO ACIDS, AND ALKANOATES

GUARANTEED ANALYSIS

Table with 2 columns: Nutrient and Percentage. Includes Total Nitrogen (N), Iron (Fe), Manganese (Mn), and Zinc (Zn) with their respective percentages and chelated forms.

Derived from Manganese Glucoheptonate, Zinc Glucoheptonate, and Iron Glucoheptonate.

Non-Plant Food Ingredients:

Alpha-Keto Acids and Alkanoates

KEEP OUT OF REACH OF CHILDREN

WARNING

Harmful if swallowed
May be harmful in contact with skin
Causes serious eye irritation
Causes skin irritation
May be harmful if inhaled
May cause respiratory irritation
May intensify fire; oxidizer

SN 051515G

NET CONTENTS:

- 2.5 gal (9.46 L) Net Wt: 26.5 lbs (12.02 kg)
250 gal (946.25 L) Net Wt: 2650.00 lbs (1202.02 kg)
5 gal (18.92 L) Net Wt: 53 lbs (24.04 kg)
BULK: WEIGHT PER GALLON: 10.6 lbs (4.80 kg)

Information about the components of this lot of fertilizer and directions for use may be obtained by writing to Helena Chemical Company, 225 Schilling Boulevard, Suite 300, Collierville, TN 38017 and giving the lot number which is found on the container.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING

BEFORE USING THIS PRODUCT, READ ALL PRECAUTIONS, DIRECTIONS FOR USE, CONDITIONS OF SALE-LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES.

Harmful if swallowed. May be harmful in contact with skin. Causes serious eye irritation. Causes skin irritation. May be harmful if inhaled. May cause respiratory irritation. May intensify fire; oxidizer. Keep away from heat. Store away from combustible materials. Keep product locked up and out of the reach of children. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or smoking tobacco. Remove and wash contaminated clothing before reuse. Do not take internally. Avoid contact with or inhalation of spray application mist if present. Do not apply this product in such a manner as to directly expose workers or other persons. If product is being mixed with pesticides and/or spray adjuvants, follow all precautionary statements on the accompanying product(s) labeling. Not for human or animal consumption.

Personal Protective Equipment (PPE): Wear protective eyewear (goggles or face shield), chemical-resistant gloves, long-sleeved shirt and long pants, and shoes plus socks when using this product. Take off any contaminated clothing and wash before reuse.

FIRST AID

Table with 2 columns: First Aid Category and Instructions. Includes IF IN EYES, IF SWALLOWED, IF INHALED, and IF ON SKIN OR HAIR.

HOT LINE NUMBER

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-424-9300 for emergency medical treatment information.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. STORAGE: Store in original container only. Store away from combustible materials. Keep container tightly closed. Do not allow water to be introduced into the contents of this container. Do not store near heat or open flame. Do not store with oxidizing agents or ammonium nitrate. Keep locked up and out of the reach of children. CONTAINER DISPOSAL: Do not reuse empty container. Triple rinse (or equivalent) during mixing and loading and add rinse water to spray tank. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrecycle.org. Decontaminated containers may also be disposed of in a sanitary landfill. For help in chemical emergencies involving spill, leak, fire or exposure, call toll free 1-800-424-9300.

GENERAL INFORMATION

QUICKSHOT® MAX is a blend of trace elements - zinc, manganese and iron. Furthermore, this product contains organic chelating agents including sodium glucoheptonate. This product also contains an alpha-keto acid and alkanooates. These components are non-plant food ingredients, which may enhance the plant's use of micronutrients. As part of a regular fertilizer program, this product may further enhance resistance to environmental stress and aid in the prevention and correction of micronutrient deficiencies. Designed for foliar application, this product may be applied alone or in tank mixes containing pesticides. It is also compatible with liquid fertilizers. However, whenever use of an unfamiliar mix is employed, a compatibility jar test is always recommended.

DIRECTIONS FOR USE

CITRUS: Apply 3 quarts of QUICKSHOT® MAX per acre in an application that is made every six weeks during the growing season. If heavy rainfall is encountered during the growing season, apply QUICKSHOT® MAX every 30 days. The addition 3-5 lbs. of urea and/or potassium nitrate/100 gallons of spray will aid in product absorption.

OTHER FRUIT TREES: Apply 2-3 quarts of QUICKSHOT® MAX per application in a minimum of 50 gallons of water per acre in ground spray application equipment. It is recommended that a minimum of 2 gallons be applied per acre per year. The addition 3-5 lbs of urea and/or potassium nitrate/100 gallons of spray will aid in product absorption.

CORN: Apply 1-2 quarts of QUICKSHOT® MAX per acre in a minimum of 50 gallons of water with ground spray application equipment. The addition 3-5 lbs. of urea and/or potassium nitrate/100 gallons of spray will aid in product absorption.

High Volume Sprayers: Use 350-800 gallons of water per acre.

Conventional Field Crop Sprayers: Use a minimum of 15-50 gallons per acre or enough water for thorough coverage.

AERIAL APPLICATION:

Apply the recommended rates of QUICKSHOT® MAX per acre in a minimum of 15 gallons of water per acre.

MIXING AND APPLICATION:

Do not mix with fixed copper or copper-based fungicides if the pH of the spray solution is below 6 pH.

Rates and timing of applications are dependent on local conditions and should always be made as a result of soil and/or plant tissue analysis and in conjunction with your local agricultural authority or HELENA CHEMICAL COMPANY Representative.

Disclaimer: Always refer to the label on the product before using Helena or any other product.

**CONDITIONS OF SALE–LIMITED WARRANTY  
AND LIMITATIONS OF LIABILITY AND REMEDIES**

---

Read the Conditions of Sale–Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded.

This label is believed to be reliable and must be followed carefully. Injury to the crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of Helena Chemical Company (the "Company") or seller. In addition, failure to follow label directions may cause injury to crops, animals, man or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind, express or implied, concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law.

The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at Helena Chemical Company's election, one of the following:

1. Refund of the purchase price paid by buyer or user for product bought, or
2. Replacement of the product used

To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company and the seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
