

# Recovery 212

## 2-0-0

### GUARANTEED ANALYSIS

Total Nitrogen (N) .....	2.00%
2.00% Urea Nitrogen	
Calcium (Ca) .....	12.00%

**Derived From:** Urea and Calcium Chloride.

### KEEP OUT OF REACH OF CHILDREN

## WARNING

Harmful if swallowed. Avoid contact with skin, eyes or clothing. Avoid breathing spray mist.

### F1548 FOR AGRICULTURAL OR COMMERCIAL USE ONLY

#### GENERAL INFORMATION

RECOVERY 212 is compatible with many pesticides and may be used as a carrier (in place of some or all the recommended water) for herbicides in banded or broadcast applications. If in doubt about the compatibility, a compatibility test is recommended prior to mixing. Always follow the label directions for mixing the pesticide.

#### DIRECTIONS FOR USE

RECOVERY 212 can be injected into the irrigation water and followed by consecutive irrigations.

RECOVERY 212 is a soluble electrolyte solution which reduces harmful sodium buildups in the soil and increases water penetration and improves irrigation efficiency.

RECOVERY 212 also serves as a valuable source of plant available calcium for plant nutrition resulting in stronger, vigorous, and more productive crops.

RECOVERY 212 can be mixed with urea, nitrogen solutions (UN-30, AN-20 or Aqua Ammonia) or muriate of potash (KCl).

RECOVERY 212 is a highly soluble, readily available source of calcium. Therefore, RECOVERY 212 IS NOT COMPATIBLE WITH FERTILIZERS CONTAINING PHOSPHATE OR SULFATE DUE TO THE FORMATION OF INSOLUBLE PRECIPITATES.

RECOVERY 212 provides nutrition to the crop in the form of Nitrogen and Calcium and as a soil amendment displaces sodium and helps to aggregate some soils. Effective application rates are dependent upon information derived from soil and water testing.

Rates: for best results RECOVERY 212 should be applied through irrigation water at rates ranging from 5 to 15 gallons per acre per application, not to exceed 50 gallons per acre up to 4 times per year.

Consult your crop advisor for best management practices regarding specific rates, timing, and number of applications per crop season.

#### FIRST AID

**If in eyes:** Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

**If swallowed:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

**If on skin or clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 to 20 minutes. Call a poison control center or doctor for treatment advice.

**If inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

#### STORAGE and DISPOSAL

**STORAGE:** STORE ABOVE 52° F. Shake well before using. Store in original containers only. Keep containers tightly closed when not in use. Store in a cool, dry well-ventilated area, preferably in a locked storage area away from children, feed and food products, and seed. Store at ambient temperatures. Do not contaminate water, food, or feed by storage or disposal. **DISPOSAL:** Do not reuse container. Plastic: Triple rinse (or equivalent), adding rinse water to spray tank, then offer for recycling at an ACRC site (go to <http://www.acrecycle.org/> for locations) or by reconditioning, or puncture and dispose of in a sanitary landfill or by other procedures approved by state and local authorities. Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. Do not contaminate water, food, or feed by storage or disposal.

**HANDLING:** Avoid breathing fertilizer mists. Avoid prolonged or repeated skin contact. Avoid eye contact. Wash hands thoroughly after handling this product.

#### CONDITIONS OF SALE AND LIMITATION OF WARRANTY AND LIABILITY

BEFORE BUYING OR USING THIS PRODUCT, read the Directions for Use and the following Conditions of Sale and Limitation of Warranty and Liability. By buying or using this product, the buyer or user accepts the following Conditions of Sale and Limitation of Warranty and Liability, which no employee or agent of LOVELAND PRODUCTS, INC. or the seller is authorized to vary. LOVELAND PRODUCTS, INC. warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated in the Directions for Use, when the product is used in accordance with such Directions for Use under normal conditions of use. LOVELAND PRODUCTS, INC. MAKES NO OTHER WARRANTY, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. THE BUYER'S OR USER'S EXCLUSIVE REMEDY FOR ANY INJURY, LOSS, OR DAMAGE RESULTING FROM THE HANDLING OR USE OF THIS PRODUCT SHALL BE LIMITED TO ONE OF THE FOLLOWING, AT THE ELECTION OF LOVELAND PRODUCTS, INC. OR THE SELLER: DIRECT DAMAGES NOT EXCEEDING THE PURCHASE PRICE OF THE PRODUCT OR REPLACEMENT OF THE PRODUCT. LOVELAND PRODUCTS, INC. AND THE SELLER SHALL NOT BE LIABLE TO THE BUYER OR USER OF THIS PRODUCT FOR ANY CONSEQUENTIAL, SPECIAL, OR INDIRECT DAMAGES, OR DAMAGES IN THE NATURE OF A PENALTY.

Tests have not been carried out under all possible use conditions and Seller cannot and does not represent or warrant that the goods are compatible with all other chemicals or under all use conditions.

California Proposition 65: WARNING: This product contains chemicals known to the State of California to cause cancer or birth defects or other reproductive harm.
