

RESPOND[®] 3G

GREENS GRADE GRANULAR

Concentrated Wetting and Penetrating Agent for Turfgrass

RESPOND[®] 3G is specifically formulated to help water penetrate into water-repellent soil caused by localized dry spot, compaction and other problems such as fairy rings.

- Increases water penetration through the thatch and water-repellent soils
- Helps hold water in the root zone
- Makes more efficient use of irrigation-applied water
- Very low burn potential for all types of turf — both cool season and warm season grasses

KEEP OUT OF REACH OF CHILDREN CAUTION

NET CONTENTS: 50 LBS. (22.68 KG)

KEEP DRY

CAUTION: Harmful if absorbed through skin. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum using tobacco or using the toilet. Remove and wash contaminated clothing before reuse. **Personal Protective Equipment:** Wear chemical resistant gloves, long-sleeved shirt and long pants, and shoes plus socks.

First Aid: If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. **If in eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. **If swallowed:** Call a poison control center or doctor immediately for treatment advice. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

FOR A MEDICAL EMERGENCY INVOLVING THIS PRODUCT, CALL 1-866-944-8565.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

DIRECTIONS FOR USE

For application to localized dry spot and drought stress on all types of turf; golf greens, tees, fairways, sports fields and other turf areas. Repeat treatments according to the program of application selected. Make the first application at the start of the growing season; early treatments are often the most effective in preventing the build-up of water related problems. Any severely affected areas may require additional spot treatment with RESPOND 3G or with RESPOND 3 TABLETS.

MANAGED APPLICATION PROGRAM

Rate/1,000 sq. ft.	Timing	Watering In
1.5 lbs. followed by	2 applications at 14 day intervals in early season	0 to 18 hours after application
1 lb.	Repeat monthly as necessary	0 to 18 hours after application

INTENSIVE SPLIT DOSE APPLICATION PROGRAM

3 lbs. followed by	Early season application	0 to 18 hours after application
1.5 to 3 lbs.	Mid-season application	0 to 18 hours after application

CURATIVE APPLICATION PROGRAM

1.5 lbs.	As necessary, repeat 10 to 14 day intervals	0 to 18 hours after application

WATERING IN PROCEDURES

It is not essential to water in RESPOND 3G but to obtain the best effects from all applications, especially using the Intensive Application Program or to achieve the best curative effects, water in as soon as possible or apply during rainfall. Apply water by hand syringing treated area or by running the irrigation for 20 minutes.

Any severely affected areas may require additional spot treatment with RESPOND 3G, RESPOND 3 LIQUID, or RESPOND 3 TABLETS.

SURFACE WATER REMOVAL: Removal of surface water may be assisted by application of this product to areas that have become compacted or puddled. Treat affected areas as required.

STORAGE AND DISPOSAL

STORAGE: Store in original container only. Keep container tightly closed, do not allow water to be introduced into the contents of this container. Do not contaminate water sources by runoff from cleaning of equipment, disposal of equipment wash waters or spray waste. Do not store near heat or open flame. **DISPOSAL:** Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

For help with any spill, leak, fire or exposure involving this material, call day or night CHEMTREC 1-800-424-9300.
